Von Bertrice Small : Love, Remember Me (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love, Remember Me (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. One or two flaws, otherwise a great read!Von Ein KundeI love English history, and have always been fascinated by Tudor England. This book is a sequel to Ms. Small's "Blaze Wyndham", and stars her daughter, Nyssa. Nyssa is a lady in waiting to Henry's soon-to-be-discarded queen Anne of Cleves.While the characters were great, Varian (the hero) was hot and the sex steamy, and the history MOSTLY painstakingly researched, there is one flaw - Ms. Small consistently

depicts characters as having first and middle names. No one during this time period in England had middle names. Only in Southern Europe did people have more than one "Christian" name, until about 1750 or so. I know this is a tiny detail, but it really, really bothered me! Painstaking research is so important in historicals, and I know there is endless dispute about details, but this is a major slipup. Aside from this quibble - enjoy, it's a great read! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A satisfying combination of romance and history. Von Kimberly A. Hock Ms. Small's tale of love in Henry Tudor's court was wonderfully entertaining. I have always enjoyed Ms. Small's work since reading *Skye O'Malley* and have become fascinated with Elizabethian history because of it. This author is able to weave characters that we truly care about into very accurate accounts of history with such finesse. Her readers become one with the novel and truly care what happens to each character. Though this book may not be as erotic as some of her other novel (i.e., *Hellion and the Love Slave*), this book is a true romance. Nyssa learns to love her husband, and will do anything to ensure that this love survives. She is faithful, discreet and loving. The title is appropriate and yes, though it all, love remembered Nyssa and Varian. This book warmed my heart and I hope that Ms. Small will continue to create such strong, vibrant characters. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Bertie Missed Her True Calling Von Ein Kunde Normally I loathe Bertrice Small's romance novels. But this, this was no simple romance novel. This book is a historical novel of the top flight. Yeah, okay, there's (great) romance in it, but it isn't the pivot of the plot. The intrigues between Henry VIII, his "Flanders mare" Anne of Cleves, his adulterous fifth wife Catherine Howard, and the over ambitious Duke of Norfolk are the true players in this historical tale. We are given the chance to see Anne and Catherine from a point of view much more sympathetic than most history books would offer. In short, if you prefer history to romance, this might be a good book to investigate.

Kurzbeschreibung Lovely Nyssa Wyndham, fair and proud as her mother, Blaze, is lady-in-waiting to Henry VIII's fourth wife. . . . Scandalizing all of England, Henry has his marriage annulled, for the Queen cannot meet the bawdy desires of the insatiable king. Henry seeks a spirited, lusty new wife--and eyes the beautiful Nyssa. But in a land rife with conspiracy and rebellion, there are those in secret power determined to thwart Henry's intentions. A drugged Nyssa awakens in the arms of the notorious rake Varian de Winter. Her virtue destroyed, the outraged king orders them to wed. Handsome--and soon smitten--Varian de Winter dares to conquer his spitfire bride. But the intrigues and dark side of the court intrude upon their brief happiness as Nyssa is trapped in a devious plot and witness to the deadly wrath of Henry Tudor. Suddenly, jealousy and revenge grow bloodthirsty, and all that Nyssa holds dear is in dire jeopardy. . . . From Kirkus sSmall's latest that picks up where *Blaze Wyndham* (1988) left off. The court of Henry VIII offers an unending supply of plot and counterplot to fill the interludes between heavy breathing. When this installment begins, Blaze uses her past intimacy with Henry to secure for her eldest daughter, Nyssa, a position as maiden to the newly betrothed Princess of Cleves. But no one pretends that Nyssa goes merely to serve the queen: "Once you find a husband, you will marry and live happily ever after. That is the whole purpose of your coming to court." When Henry seeks an annulment because he finds his new wife too unappetizing to mount, he turns his lascivious attention to Nyssa and the equally beautiful, but witless, Catherine Howard. Catherine's uncle recognizes the power he'll gain if his niece becomes the next queen of England, so he drugs Nyssa and plops her in his grandson Varian's bed for Henry to discover. Varian doesn't get too upset when Henry orders them to marry immediately. After all, he's been in love with Nyssa from first sight, but he didn't have a chance because years earlier he had been accused (falsely) of a rape. At the same time, Nyssa, who thought she'd marry for love, quickly discovers that lust is almost as good a reason. All is threatened within a year when Catherine takes a lover; Nyssa must think fast to save her husband, for the king seeks to punish every Howard he can find. Heavy on historical detail and unusually light on romantic hobnobbing. Still, Small's faithful can't help but follow along. -- Copyright 1994, Kirkus Associates, LP. All rights reserved.
