Von Ellen Fisher : Love Remembered (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Remembered (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Tja...richtig gutVon misstopas5Zuerst: unter diesem 08/15 Trivialcover befindet sich ein richtig guter Sdstaatenroman. Ich kann nur empfehlen, bei der Kaufentscheidung dieses irrefhrende Cover zu ignorieren.Weder Haupt- noch Nebengestalten sind schablonenhaft in Charakter und Verhalten gezeichnet. Facettenreich und komplex trifft es

eher. Die "unblunted banter" zwischen den beiden fesselnden Hauptakteuren Cordelia und Gwaltney sind wirklich knackig "unblunted". Schon allein deren Encounter und Gespräche sind spannend zu verfolgen. Mal mit Schmunzeln, mal mit einem inneren Zusammenzucken. Aber auch die inneren Kämpfe, (Selbst-)Erkenntnisse und Veränderungen, die diese Treffen mit sich bringen. Ein Roman mit (trotz mächtiger Unvollkommenheiten) liebenswerten Protagonisten, deren Geschichte man mit großem Interesse verfolgt. Wer "Vom Winde verweht" mag, dem dürfte dieses Buch auch gefallen. Mich hat die Art, wie sich Cordelia und Gwaltney unabsichtlich immer wieder schwer tun miteinander und verletzen, mehr als einmal an die schwierige Liebesbeziehung zwischen Scarlett/Rhett erinnert. Wobei ich gleich hinzufügen möchte, da das auch die einzige Parallele zwischen den Romanen ist! E. Fisher liefert hier einen völlig eigenständigen Roman. Kaufempfehlung.

Kurzbeschreibung Gwaltney Harris has struggled all his life to acquire wealth but still cannot purchase the respectability he desires. Desperate, he weds the shrewish but well-bred Cordelia Ashton, who has concealed a warm nature beneath a spinsterish exterior. Gwaltney, however, has secrets of his own, and he doesn't dare grow too close to Cordelia. Despite this, they begin to fall in love, but can their relationship survive a mysterious assailant who will stop at nothing to kill Gwaltney? Previously published. This edition has been newly edited. s for the previous edition: "I really enjoyed the humor that escapes during the unblunted banter between Cordelia and Gwaltney; at some points the degrading words they toss at each other will bring tears to your eyes. Ms. Fisher keeps the dialogue fresh and engaging as she weaves twists and turns into the romance and mystery of this well-written novel." - DeeKay, Romance Reader at Heart" ... a delightful novel of colonial Virginia. Rich in historical detail this is a well-written novel with suspense, mystery and love... The tightly woven plot and wonderful portrait of colonial life makes Love Remembered a memorable reading experience." - Larenda Twigg, The Romance Studio" ...an entertaining historical romp in pre-Revolutionary America. Intriguing characters and electric chemistry make this one book hard to put down. In fact, this reviewer stayed up most of the night to just read it. Well worth losing some sleep over." - Miriam, Fallen Angel s
