Von C.A. Szarek : Love's Call (The King's Riders Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love's Call (The King's Riders Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. loved it ...Von Claudiathis is the second book in the series "The King's Riders" and was my first by C.A. Szarek. not that this matters at all because this was absolutely great!This book is about Ansley - good friend to both heroines from the first book - who is also a Senior Rider. On her way to deliver a message she finds a young woman, who was very badly treated. the message she delivers is Leargan, Captain of the Guard, who is ordered to marry herit is quite some time

since a book was so intriguing I could not really put it down and when I had to, I thought about when I could continue reading it. and the really surprising thing was that this was "only" a love story but what a wonderful one. there was a bit of mystery in it but not really a lot this was the wonderful and fullfillng love story about two great characters, who had their good and bad traits. who were both honest but had their bad moments as well. The tension and the connection between Ansley and Leargan is sensual and hot and all-consuming. It is a great experience how they find their way to each other and learned to trust. I loved how one could feel their connection and their feelings. and there were some seriously hot scenes in there as well the second stroy in this book was very sweet but for me they had not the same connection as Ansley and Leargan did. Due to Avrills background the relationship was not as sensual but showed also a depth which made up for it. all in all: it was absolutely stunning and I will definitely re-read this book quite often and also read the first book in this series (and the next as soon as it is published)

Kurzbeschreibung Book Two in the Fantasy Romance Series, The King's Riders! Leargan Tegan, Captain of Greenwald's personal guard, is an honorable knight. When his king commands him to wed Senior King's Rider Ansley Fraser, he intends to follow orders; even as he knows nothing of the girl. Not to mention her blasted wolf bondmate, Ali, who barely lets him near her. Ansley has been in love with Leargan for turns, but marrying him out of duty doesn't sit well with her. She'll fight the match tooth and nail--no matter how much she craves to be in his arms and in his bed. The sudden appearance of Avril, a mysterious girl on the run, creates suspicions of powerful magic and evil lurking on the horizon. Dangers lead to a fight Leargan's not prepared for. With the Province threatened, will duty interfere with Leargan's orders or entwine him and Ansley regardless of their desires?
