since re-read it once every couple of months. The age difference between the characters is handled so well that I felt it enhanced the love story rather than detract from it. So many romance novels portray marriages with large age gaps as horrific ones in which wives suffered abuse, neglect, oppression or worse. It was refreshing to see a novel that positively portrayed what was an inescapable historical reality for the eighteenth century. Brava Ms. Feather! You have created a wonderfully spirited and independent heroine and given her a man mature enough to appreciate and understand her strength and drive instead being threatened to the point of unreasonable domination, as I believe a younger man of the period would have been. This is a thoughtful and deep novel with many levels. It is not a light read but a wonderfully touching one that reminds me, particularly after reading one of Ms. Feather's more current 'light' novels, why I love the author enough to buy her with no additional endorsement but the name Jane Feather on the cover. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A PERFECT NOVEL 2 CURL UP WITH WHEN IT'S RAINING..... Von Elera Tempest First of all, I'm a die-hard Feather fan. This book really satisfies every criteria that I usually look for in a romance classic, fabulous title, small font margin, and 478 pages ? Just can't ask for more ! oh did I mention Justin is my favorite hero name ? If you want to read something that has adventures, actions, lots of love lust, intelligent plot, marvelous setting, charming banter between the characters, cheeky heroine mature hero, this is the ONE. I love the fact that Ms Feather always depicts the girl as the one who keeps her man on a merry chase from 1st to the last page. It makes you wish the story would never end. Huge gap in age doesn't matter much to me, as long as he's head over heels in love with the opposite sex still keeps a straight head. Danny is stubborn learns "love obedience don't come hand in hand" in a hard way. She often gets herself in trouble because of her impulsiveness, then get a good verbal trashing from her husband, Justin, later on. Even when she has a baby, she still follows what her heart tells her to do, which drives Justin absolutely crazy wanting to tie her up lock the door. Anyway, treat yourself to a fantastic, sparkling gem of a book you won't regret it ! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Although I love her books - I almost didn't finish this one. Von Ein Kunde While I loved the first part of "LOVE'S CHARAFE", I found myself wishing the book ended there. As I continue to read Danielle proved herself to be the most spoiled, reckless, foolhardy, stubborn heroine I have ever had the misfortune to encounter. While Justin proved to be the perfect husband, we learned the Danny wasn't to be trusted to keep her word, and that we can never expect her to stand by his side when he needed her. I thought Justin was too tolerant to her stupid actions - and I couldn't believe that in 1771 there was to be found a husband that allowed his wife so much freedom. Danielle had betrayed his trust and took advantage of his understanding and I just couldn't find it in my heart to like her when she NEVER thought about her child or her husband. All she could think about was her freedom to do as she want. To my great surprise - when I finally finished the book - there was nothing that could have convinced me that Danielle really loved her family - she was too egoistic for that. One other thing : I have found it tedious that I had to miss what was said in French - As I didn't understand a word that was said - and a lot was said in French..

Kurzbeschreibung From New York Times bestselling author Jane Feather comes a thrilling romance of surprise and suspense, as one man discovers falling in love is the most dangerous thing he has ever done. . . When Justin, Earl of Linton, found a half-starved child on the streets of Paris in the highly charged days before the Terror, his only thought was a bit of charity. He never imagined he would find an incomparably lovely young woman beneath tattered boys' clothing--or that she would inspire in him a passion more intense than any he had ever known. But the beautiful Danielle had more secrets in store. . . and Justin would soon learn that one of them was a need for vengeance that might endanger them both.
