I also thought the second part was also great.. How they cotinued the book from when

Missy was young to the day she got married. as soon as I get the chance I am going to read the rest of the book. Once you start reading these books it is very hard to put them down.. I would recomend these book to anyone who wants to read a great book..0 von 0 Kunden fanden die folgende Rezension hilfreich. Loves Enduring PromiseVon Ein KundeThe second book in the Love Comes softly series moves through time a bit to quickly. It does unfold the story of the life Marty and Clark share together. It left me taking a deep breath. Too much happens in it. I felt dissapointed yet ready for the next book. Over all it was a story that modeled how a family could be like and how life really is "fast".0 von 0 Kunden fanden die folgende Rezension hilfreich. The first one is a great deal betterVon Ein KundeI learnt a lot from the first book so that's why I bought this one. But I find it disappointing. There isn't any climax. I just browsed thru this book without reading every word, unlike I usually do.I may say "Love's enduring promise" is boring.
