KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Erotic - Victorian - StyleVon julieThis is a Victorian novella with a difference, which i really enjoyed.Lily a young widow, who is looking for more excitement in her life.A mysterious man called Kadar introduces her into a whole new world of sensuality.While an English Captain tries to woo her.Who will win her heart.I liked the way Gabrielle Bisset

described Victorian life, and customs Oh what those raunchy Victorians got up to. Read it and see. This is also the 2nd story in the Victorian Trilogy

Kurzbeschreibung Twenty-three year old Lily finds herself widowed and forced to live with her brother and his family, including his eight year old son William, who is nothing short of a terror. Sure she cannot go another day with his behavior, she begins to search for a new nanny and tutor for her nephew with little success. But when she happens across an advertisement in the Times that seems to be the answer to her problem, she is set on a path that will take her where she's never been before. Victorian England is a place of strict social codes, and the sensual world she enters is strictly forbidden for a woman of her social stature. Her guide in this world is a man named Kadar, and the feelings he stirs in Lily threaten to change her forever. However, Victorian society is never far away, and her brother intends on seeing his sister remarried and settled into a home near him in Regent's Park. Lily will have to choose between Kadar, who makes her feel more alive than she ever believed she could, and Captain Mason Danvers, the gentleman who can offer her security and comfort for the rest of her life. **AND IF YOU LOVE SEXY CONTEMPORARY ROMANCE, LOOK FOR HER BOOKS UNDER THE K.M.
