KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. DELIGHTFUL!Von Ein KundeWhile some of Oke's books were better, this one is still very good. This book is more of a lessons of life type. It shows exactly how each and every teenage female has felt at one point or another. It brings

to fore the fact that we all know that life is not always some picnic, but that everything turns out for the best in the end.

Kurzbeschreibung Book 6 of the bestselling Love Comes Softly series. Belinda, Marty and Clark Davis's "surprise child," has always had a tender and compassionate heart toward anything hurt and broken. Her parents watch with both misgivings and genuine pride as Belinda's older brother, Doctor Luke, influences her toward nursing. Will she have the inward strength to face the "hurt and broken" people whose bodies, minds, and emotions need mending? Belinda's niece, who is also a teenager, comes to live with the Davis family to finish her schooling. How will Melissa's arrival affect Belinda's lifelong friendship with Amy Jo? And what happens when all three fall for the same nice fellow?
