Von J. S. Lewis : Love, Sex Blood (The Jamaican American Thug Drama Saga Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love, Sex Blood (The Jamaican American Thug Drama Saga Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A wild ride on torrid streetsVon ConvokeThe phenomenal J.S. Lewis brings his Jamaican American Thug series to a blistering conclusion in "Love, Sex, Blood." If you haven't read Lewis, you really should. In street vernacular, he creates instinctive drama that may in retrospect make him a Shakespeare for this age of aner. His characters are full of love, sensitive, tenderness, violence; their lives are difficult, to say the least. Anyone who reads GLBT fiction, or modernist fiction, will find his style arresting, his plotting true. Don't get me wrong: these books are rough and tough and patently erotic in places, not for children. I have read every volume in this series, whose main protagonist is a young, sensitive gay man who cleaves to his ideals, and the concept of love's healing power, no matter what befalls him. I am rather sad that the series is over, and would not be surprised if Jay finds a way to write more about his world of street ethics, violence, sexual discovery, and personal growth.0 von 0 Kunden fanden die folgende Rezension hilfreich. Can love conquer all?Von Christoph Fischer"Love, Sex Blood" by J.S. Lewis is another gripping and breath-taking episode in this dramatic and emotional gay romance series.The them of forbidden love, in this case a gay love on Jamaica, is heart-breaking at times and won't fail to move and engage you.Dre and Jevaughn must make the very difficult decision whether to chose safety and separate, or risk everything for their love, including their safety and life.Living a sheltered life myself, this really touched me, as we can forget how hate, bigotry and discrimination still affect so many gay people all over the world. Can love conquer all? Find out for yourself.Four solid stars.0 von 0 Kunden fanden die folgende Rezension hilfreich. must readVon Johnathan BoydLove sex and blood are sometimes what it takes to get things done in this world. Lewis's presentation of this in an unadulterated and intensely gritty manner shows that there are many facets to a same sex relationship. The infusion of a cultural perspective with the addition of an indigenous Jamaican Religion pays homage to an ideology which separates Jamaica from the rest whilst still remaining modern with the fast paced and complicated lifestyles the Jamaican crime underground engage in. All in all the book is a great read. My one regret is that the trouble maker (Dereon) didn't get his ass beat.

Kurzbeschreibung"Our love is written in blood"Thislovewill be thedeathof me, isJevaughn'smantra as he grows wiser and more mature but even more strong willed and unwilling to let go of what may ultimately destroy him, his true love forDre.Aftersurvivingnear deathexperiences, with strong support from their friends;DreandJevaughnmust weigh the odds and make one of thebiggest decisionsyet-splitfor Jevaughn'ssafety. . .orfollow theirblissandstay together, ultimatelyriskingeverything with severalenemiesafter theirlives.CanDresummon thecourageto permanentlybreakthings off with hissoul mateJevaughn,to prevent him from being anotherbloodyvictim of thedark worldhe'sdeeplyrooted in . . .?Or willJevaughnremainsolidlyatDre'sside and together face thebloodyandgrim fatethat is beingmagneticallypulled towards them with anunrelentingdarkforce?Thefifthinstalment inthe Jamaican American Thug Drama Sagawill leave youbreathless, on theedgeandcravingfor more.
