Von Bertrice Small : Love Slave before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Slave:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Definitely erotica at its fullest.....Von Ein KundeChoosing a rating for this book is very difficult because I don't want to scare anyone away with only 3 stars, BUT BE WARNED, this story is NOT for everyone. Beatrice Small has always been extremely graphic in her stories, and if you don't like highly detailed erotic scenes, stay away from this story.Thus saying, the attention to detail, sights, smells, feelings, and tastes, that Ms. Small is known for in her earlier stories, are all here in The Love Slave. Regan is a no-nonsense woman who takes what could be an extremely bleak future, and molds it into something, if not desireable for everyone, then atleast sucessful. I found it much more realistic to see how her character progresses, even having to take the lovers she must in order to be more than just someone's whore in the white gold trade. Some might see her as prostituting herself (and thus be turned off), but Ms. Small tries very hard to dissuade us of thinking of Regan in that light. It is the more practical I-will-do-whatever-I-have-to-to-survive light that is striving to surface here.Regan and Karim are both interesting characters to get to know, and to empathise with, as the story unfolds. By the end of the story, the plot seems to turn a little too pat with first the one, and then the other needing each other to pull them out of a depression, but we can work around that. In a time when you can't simply buck the system or win all the time, this story might pull at our democratic ideals of the freedom to chose to live our lives as we see fit, but it makes it all that more realistic in my eyes. I enjoyed this story, but as I warned above, stay clear if you don't like VERY graphic sex.0 von 0 Kunden fanden die folgende Rezension hilfreich. Kind of disappointingVon Ein KundeUsed to real romances, (ie: Penelope Williamson's) I was looking forward to this book, especially after all the rave reviews. Well, sure, there's a lot of sex. And more. And more. I really don't understand how the wilfull, spirited young heroine (in the beginning) could turn into such a person. The focus of romance is supposed to be on Karim and Regan/Zaynab- or isn't it? They claim to love one another so well, yet the only scenes between them was of sex. And I don't believe love can be based on sex. Their love just wasn't believable. I found the caliph with the impossible name a much more likable character. It was not a really boring book.. but it wasn't something I enjoyed greatly. And, whatever did happen to Regan's sister Gruoch? No mention whatsoever? What happened to the all-so-important seeming revenge on the father. (well, at least to Gruoch) Well, to repeat myself. I was disappointed. I also have 'Hellion' which I hope I'll enjoy more. I feel reluctant to pick it up.. a rare thing.0 von 0 Kunden fanden die folgende Rezension hilfreich. It's All right, I guess.Von Ein KundeI felt sorry for Regan in the beginning, being shoved aside by her mother as a baby and being forced to lie with a man who smelled of horses in her twin sister's place. Later, Regan was to be sold into slavery by the people who ran the nunnery, but not before being raped buy the man who ripped her clothes off. Regan does get what she desires in the end, but only after she is forced to leave the palace, because of a jealous first wife who poisons her twice, with her daughter, who conveniently dies of an outbreak of spotted fever on one of the visits to her father. This was an obvious "easy out" that infuriated me because it only received four lines in the book. Okay, it isn't wise to have a daughter in tow when you want to return to the one you love, (obvious plot hole!) but she didn't have to die like that. There would have been someone to care for her with all those women around.

KurzbeschreibungIt is no act of love that Regan experiences the night she takes her sister's place in the marriage bed, a counterfeit bride to sate the lust of her twin's new husband. Come morning, her sister, carrying another man's child, resumes her place and Regan is spirited away to a nunnery.But a more exotic fate awaits the fiery Celtic beauty: Regan is sold to a slave trader. It will be her destiny to come under the tutelage of Karim al Malina, master of the erotic arts, who will mold Regan -- now renamed Zaynab, the beautiful one -- into a Love Slave fit for a Moorish king, though the pair break the first rule of teacher and pupil . . . they fall in love.But Zaynab is not Karim's to keep. She is given to the Caliph of Cordoba, who vows to love her . . . and pleasure her as no younger man can. Yet Regan still longs for her one true love, Karim al Malina, and vows that, somehow, their fates must be reunited . . .From the Trade Paperback edition.KurzbeschreibungIt is no act of love that Regan experiences the night she takes her sister's place in the marriage bed, a counterfeit bride to sate the lust of her twin's new husband.
