...adorable, funny, sexy moving romance!Von Bianca @BJsBBLacy suffers from writers block. Songwriters

block. Ever since her fianc died she hasn't been able to put all her grief and all her feelings into songs. That's why she joined an online songwriters anonymous group. And there she met Folx - she doesn't know who he is in real life, she only knows that he's her best friend. The only one she's been able to talk to about things. The only one who can help her with her writing. Because she needs to come up with songs - she has 10 weeks until she's booked into the recording studio. Then suddenly there's an empty spot as an opening act for The Blue Hills - a band she recently saw live and loved - and also a few of the guys were pretty cute. Now she's on tour, while still chatting to Folx at night, both without knowing or guessing that they're on tour together in real life! She can't wait until her sister's wedding (Andy Blake from book 1) because Folx will be her date. Blind-date. WHAT WILL HAPPEN TO LACY ELI??? WILL ONE OR BOTH OF THEM GUESS WHO THE OTHER IS??? WILL THE TWO OF THEM GET THEIR HEA? WILL THERE BE A HORRIBLE CLIFFHANGER??? _____ I'm the biggest RockStarRomanceFanGirl EVER! So this was just my kind of story. It's not all that rockish and wild, but it was adorable and sweet and moving and sexy and funny and frustrating and I just wanted to get in there and hug them all. Eli was so adorable and talented and Lacy too. Eli was sometimes maybe a tiny bit too soft for my tastes, but he's an artist, he's allowed. I was a tiny bit frustrated with Lacy here and there, but I really enjoyed reading it! LOVE STRUCK was an amazingly adorable and funny and sexy and moving romance about two sad lonely songwriters who finally find their words again - and their Happy Ever After!
