Von Belle Aurora : Love Thy Neighbor (Friend-Zoned Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Thy Neighbor (Friend-Zoned Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. the ghost

story Von fishbone my favourite book of the series so far. All characters are thoroughly developed, they are all individuals with their own history and their potential for development. The plot is dense, but never illogical. And she really drags you into the story with her.. Ghost with his multi-layered personality is, to my opinion, the most intense of them all. I won't tell any more, because it would spoil half the fun. Even re-reading the book is good. So- without telling much of its contents: the style is okay, the development of the plot is brilliant- one of those books you keep reading until you realize you should have long gone to bed or you might as well continue and just get up for breakfast....mind you, it is book no. 2 and so full of hints at events in the past it would help if you read book no. 1 first. what's another sleepless night... the steamy scenes are, thanks to our two protagonists REALLY steamy, so I wouldn't leave it lying around the living room... well, enjoy! I certainly did.

Kurzbeschreibung***Second book in the Friend-Zoned series***Asher 'Ghost' Collins and Natalie Kovac shared a passionate night together. One neither of them can forget. Why is it so hard for them to be around each other? With no hope of the two getting along they decide to go their separate ways. And somehow end up closer than they've ever been. Will friendship ever be enough for the pair? Note: This book contains uncomfortable situations including domestic violence.
