Wundervolle GeschichteVon TrumerinLove unmasked ist eine wunderbare Geschichte ber einen verwundeten Held und seine Rckkehr ins Leben. RJ Parker war ein berhmter Anwalt, der sich grsstenteils fr die Belange von Schwulen einsetzte. Nach einem berfall, welcher grosse Teile seines Gesichtes zerstrte, zieht er sich komplett aus der ffentlichkeit zurck und versteckt sich in seinem Appartement. Christine ist eine junge Anwltin, welche mit einem Fall

betrachtet wurde, welcher sich mit einem homosexuellen Thema beschäftigt. Er hilft ihr ihn zu gewinnen. Gleichzeitig gewinnt er ihr Herz. Das ist nicht das Ende der Geschichte, denn noch immer zieht er sich zurück und vermeidet die Öffentlichkeit. Was uns gezeigt wird ist eine ergreifende Geschichte mit ausgereiften Charakteren und endlich einmal zu Ende gedacht. Der Held wirkt plastisch und vieldimensional aber eines ist er nie - peinlich. In vielen dieser Bücher winkselt der Held nach Liebe und plötzlich ist alles wunderbar. So nicht hier, sie verlieren sich auch und müssen beide für ihre Beziehung kämpfen. Ich kenne sehr viele dieser Romane über verwundete Helden, meist verliere ich die Lust nach 50 Seiten und sage mal wieder nur Schund. Diesen konnte ich nicht weglegen und las bis in den Morgen. Und schrieb diese meine erste Rezension. Wenn ihr solche Bücher liebt, werdet ihr dieses vergnügen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Marvelous Von gaby Suspenseful and sexy. A modern romance, lovely, not sappy, and a courtroom drama as well. For phantom of the opera fans: there is a Christine, but her love's name is not Erik. RJ was disfigured by a horrible assault and tries to find his way back to love and life ...

**Kurzbeschreibung** In this contemporary Phantom of the Opera story, a disfigured recluse leaves his world of shadows to mentor a beautiful rookie trial lawyer in a controversial case that changes both their lives. Ambitious attorney Christine Dawson has landed a controversial court case which can launch her career as a litigator or kill it. A week before trial, the hardworking but reserved rookie is desperate to learn the secrets of courtroom presence. But the only one who can help her is a disfigured recluse with a chip on his shoulder the size of the Astrodome. Yet as she looks past the scars and rudeness, she sees the brilliant mind and dry humor of the charismatic litigator who once charmed a nation with his passion for human rights. Intense and demanding, the phantom of the courtroom draws Christine into his world and challenges her to give her whole heart to the law and to him. Once handsome and successful, RJ Parker's world was shattered when a gang who objected to his politics sliced his face to shreds. Now he lives life in the shadows, going out only at night and trying cases vicariously as a legal consultant. Until he meets the beautiful Christine. For her he braves the daylight and mentors her through a momentous courtroom trial. Through her eyes he sees the better man his disfigurement has made him. He wants her to stay with him in his world of shadows, but ultimately, to be worthy of her love, he must accept the challenge she offers and learn to live in the light.
