Von Sophia Nash : Love with the Perfect Scoundrel (Widows Club) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love with the Perfect Scoundrel (Widows Club):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Builds slow, but excellent. Third in Widows' Club series.Von Detra FitchGrace Sheffey, Countess of Sheffield, is a widow at the young age of only twenty-seven. In the past twelve months she has been jilted by two fiancs and London's upper elite are having a delightful time chewing up and pitting out her reputation. No longer capable of holding her head up high or maintaining an unconcerned image, she flees London. Grace intended to return to the Isle of Mann, where she spent her childhood. Instead she found herself stuck in a blizzard when the carriage tipped over. Her driver and traveling companion go for help. It is only then Grace realizes she is injured, losing blood, and quickly freezing to death.Michael Ranier has been a fugitive for years. He spent those years in the colonies (Virginia). He returned to

England because he inherited property from a friend. En route to his new property (Brynlow) he found an angel dying in the blizzard. While tending to her injuries, with the help of a lad named Timmy, he does the worst thing possible - he fell in love with her. Too bad he could not possibly keep her.***** I learned years ago that whenever I intend to begin a story written by Sophia Nash that I had better make sure the pizza has already been delivered. Otherwise the members of my family will have to eat cold cereal or sandwiches. This tale is no exception. The author begins with a strong willed lady in distress and then the tender roots of romance begin. From there the author builds tension that only seems to increase with each page turned. Within these pages you will experience pure romance at its very best! *****Reviewed by Detra Fitch of Huntress Reviews.0 von 0 Kunden fanden die folgende Rezension hilfreich.

Countess meets Blacksmith Von Helen Hancox 'Love with the Perfect Scoundrel' was a rather variable book. Our heroine, Grace Sheffey, seemed initially rather a weak and uninteresting woman, running away from two broken engagements and social ostracism. A young widow, she feels that her life in London is over and plans to return to the Isle of Mann, her home, to live quietly. However, when her carriage is damaged on a freezing night and her coachman goes looking for help, she finds herself in serious danger from the cold until she is rescued by a man, Michael Ranier, who takes her to the house he has just inherited. They are alone in the house for a while, during which time Grace and Michael learn more about each other. Michael may be something more than he seems, and his history of living in America might mask his rather different origins. When Grace and Michael are discovered by some of her friends, it seems as though they will have to marry. But Grace refuses, and Michael doesn't offer, but somehow they can't forget each other. Can Michael overcome the problems from his past which mean it's not safe for Grace to ally herself to him? Can Grace learn to do without the money and social standing in order to be with Michael? The variable aspect of this book was its interest. I found at times my attention waned, at others I was very much into the story. There were some particularly good parts, such as Michael's interaction with the foundling home, but I found their initial time together in Michael's house didn't work well for me. The book relies in some places on close reading of the dialogue which often passed me by, so that I discovered in some chapters the characters reflecting on what they said to each other earlier that I hadn't particularly noticed. There are several side characters who were presumably heroes/heroines of previous books by this author. They weren't familiar to me and I found their interactions occasionally a bit irritating and not entirely convincing. However the overall concept of this book, that a woman and man in very different situations can find love, was enjoyable. Originally published for Curled Up With A Good Book Helen Hancox 2009
