**Von Penny Jordan : Lover By Deception (Mills Boon Modern)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lover By Deception (Mills Boon Modern):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. DisappointmentVon Electra AlexiouI found this book unreal and unromantic. This is the story of the love of two middle-aged people (the heroine was 38 years old and the hero 42), a thing that makes the plot ordinary. The

descriptions were monotonous and the outcome was not really sensual. The fact that the heroine was widowed at an early age and isolated herself for 15 years after the death of her husband makes her look boring and the whole plot even more unrealistic. Reading this book you realize that there is no climax. At no point does the book take you away. 0 von 0 Kunden fanden die folgende Rezension hilfreich. one of the best works of penny jordan Von padma ragunathan the story has a good description. the characters are well defined. i would recommend my friends to read this book.

Her goal, when writing romance fiction, is to provide readers with an enjoyment and involvement similar to that she experienced from her early reading - Penny believes in the importance of love, including the benefits and happiness it brings. She works from home, in her kitchen, surrounded by four dogs and two cats, and welcomes interruptions from her friends and family.
