Most of all if you fall in love with the enemy against all odds. Johann and Frank found trust in each other despite every rule they learned how to behave in wartimes. Hot love but no time for them! Farewell seems to be forever, but they meet again and maybe, there might be a common

future for the former enemies. The story is exciting and held a good amount of suspense as well as very sweet romantic moments. You love true heroes? You'll love this! 0 von 1 Kunden fanden die folgende Rezension hilfreich. Enemies-to-Lovers Von Feliz A sweet romantic story with very smoothly veiled critic about the Nuremberg processes. The political aspect takes quite a backseat to the romance, though. Beautiful sense of place and time, including a very realistic rendition about the dangers of being gay even in post-Nazi Germany. The flashbacks part was more fantasy than history, but then, I didn't care, it was a good story, and smoothly written. Very enjoyable.

Kurzbeschreibung The year is 1946, World War II is over, and the Nuremberg trials are underway. US Army Captain Frank Hawthorne is returning to Germany to testify in the military tribunal of former Nazi Officer Johann von Biehn. Despite explicit orders to the contrary, Frank is trying to save Johann's life. Three years ago, at the height of the war, Frank had been sent to kill the very man he is now defending. Much to his surprise, instead of the Nazi monster he was sent to kill, Frank found a compassionate dissenter. Johann considered the handsome young American officer the answer to his desperate prayers to save his beloved Germany from the cancerous infection of Nazi rule. What really happened between the two men during those long summer days in von Biehns Spreewald mansion must be kept secret at any cost. With his own government forbidding Frank to reveal anything political that happened during the war, and society forcing him to conceal their personal relationship, Frank will have to find something truly unexpected to prevent Johann's all-but-certain death sentence.

They are currently living their happily ever after in Kassel, Germany, under the stern but loving surveillance of their cat.
