**Von Anne Marie Winston : Lovers' Reunion (Silhouette Desire)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lovers' Reunion (Silhouette Desire):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A true romanceVon Ein KundeThis book blew me away. I'd never heard of the author, and the title (let's face it) leaves a little to be desired, but like they say, don't judge a book by its cover (or title). This book turned out to be about two adults who've been knocked around by life, and who want (and deserve) to come together...but first they have to learn to trust each other (and themselves). We're not talking movie stars, either. This romance breaks away from those tired old plot twists. These people have normal, believable jobs, and behave in normal, believable ways. Nobody gets stalked or killed. There is no "other woman." All of the characters are realistic and sympathetic, and by the end, I geuninely cared for them--especially the hero and heroine. An immensely satisfying read that I know I'm going to keep for a long

time. And I'll be looking for books by this author in the future.

Kurzbeschreibung THE MAN SHE COULDN'T FORGET He was a man of adventure, the epitome of masculinity, and he had swept the girl next door off her feet one incredible night and made her a woman. But Marco Esposito didn't think he was the home-and-hearth type of man that Sophie Morrell deserved so he walked away. But he never forgot her. Now Marco was back and he wanted to do right by Sophie for now and always. Sophie hadn't forgotten those fiery kisses, but could she trust that their night of shared passion would grow into the love of a lifetime?
