Von Rachel Schurig : Lovestruck in London (Lovestruck Series, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lovestruck in London (Lovestruck Series, Book 1):

Neun Monate wird sie in der Stadt ihrer Trume leben - zusammen mit ihrer besten Freundin Callie. Gegen den Willen ihrer bestimmenden und strengen Familie. Kurz nach ihrer Ankunft lernt sie Thomas - einen einigermaen erfolgreichen, aber noch recht

unbekannten Schauspieler kennen und verliebt sich in ihn. Für mich war die Geschichte der Beiden bezaubernd. Lizzie ist ein sehr zurückhaltender Charakter, die von ihrer Familie in etwas gedrängt wurde, das sie gar nicht will. Mutig ist sie nicht gerade, aber für Thomas springt sie immer hinter ihren Schatten. Der Schreibstil der Autorin ist wunderbar und man kann sich wunderbar in die Charaktere einfüllen, auch wenn Lizzies Unsicherheit manchmal nervt. Absolut empfehlenswert! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lovely! Von Customer Absolutely awesome and definitely worth a read. At first, the plot seems cliché but it's so wonderfully written, you simply can't stop reading it! Also made me purchase the next two books (first e-book purchase on , wheee!)

Kurzbeschreibung Lizzie Medina went to London to reinvent herself. Tired of being the quiet baby sister, and in no hurry to settle into a boring existence in suburbia, she escapes from home at the first opportunity. When she settles in London for a year of post-graduate studies, Lizzie is sure she'll be able to start a whole new life. Immerse herself in the books she loves. Explore a new country. Work on her dream of writing a novel. She might even be able to find a little bit of excitement for once. But falling unexpectedly in love with up-and-coming actor Thomas Harper causes Lizzie to re-think everything. Just as she's convinced herself this small-town girl from the Midwest can handle this great adventure, Thomas's career suddenly explodes to superstar levels, and Lizzie finds herself forced to navigate the fame game of red carpets, catty co-stars, gossip magazines, and paparazzi. When she wished for a new life, she had no idea it would be anything like this! Lizzie must now determine if her love and her confidence are strong enough to get her through the complications of dating a movie star. Even if she and Thomas are able to pull through before she has to leave London, how will she deal with the inevitability of returning to a life at home that no longer feels like her own? Will she follow her family's wishes or follow her heart? Will the Lizzie she discovered in London be strong enough to help her pursue her dreams?
