**Von John Inman : Loving Hector (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Loving Hector (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun to read !!!Von SunnePlease check out your sense for reality while reading this book.If you have done that you are in for a fun ride. This book is entertaining, funny, quirky, intelligent (yes, you need to be intelligent to be that funny) and like a rollercoaster ride with a lot of cotton candy and your favorite male model next to you, telling you jokes and flirting

with you. I loved reading it, if I ever need something to lift me up - this is it. There is a uniqueness to John Inman's writing style that I really appreciate. Oh, and a bluntness in words that made me crack up more than once: "Said dick was currently in a state of repose, resting its little pink head on the rim of the bathroom sink, rather like a sixth grader hanging from the edge of his school desk, trying to keep one eye open during geography class." Did I mention that they are laughing during sex? That deserves an extra star because most sex in books is highly passionate, the best sex ever...etc.etc.etc. but how often is a couple laughing, giggling and really having fun? You want to have fun, too? Read the book.

Kurzbeschreibung Dillard Brown has a mother who's determined he's straight, a writing career that's going nowhere, and at thirty, he's never been in love in his life. But thanks to a ten-pound ball of fluff and energy named Chester, one of Dill's circumstances is about to change. Maybe even all three. Who would've thought one little stray dog could change Dill's world and not by accident either. The damn dog has it planned. If not for Chester wandering into Dill's life and into his heart, Dill would never have met Hector Pea and tumbled headlong into love at last! But for all Chester's efforts, happiness for Dill and Hector is still not assured. Hector's evil ex, Valdemaro, is dead set on holding on even if it means kidnapping Hector to keep him from Dill forever! Now Dill has to pull an army together to rescue Hector, and just where the hell is he supposed to find an army? Gads, if only Dill could write books this interesting!
