ChantalVon Kindle-KundeIch finde das Buch ist gut gelungen. Jay ist ein echt ser Kerl. Es ist dennoch ein zu kurz fr mich.0 von 1 Kunden fanden die folgende Rezension hilfreich. This book hooked me on the author - already reread and listend to the audio. Still laughingVon SunneOkaaaay - this is a 100% feel-good, laugh and smile book.Yep, and

for that it gets 5 stars. Yes, I love Jay. He is a rambling, verbal-diarrhea, shiny, colorful, flamboyant, tasteful and loving person. He is a sunshine. And I couldn't help but love Liam, too. He is the proper one, the correct and steadfast one, the protector. But not only has this book two very loveable MCs, there are interesting enough sidecharacters, too. And now comes the best: it is funny, witty and well written. It is "real", the dialogues sound genuine (if you are able to embrace Jay's verbal outpourings), the reactions are believable. For example...Liam isn't out, in the beginning he still tries to convince himself he isn't even gay (there is a sarcastic undertone in his constant repetition of "I'm not gay.") When he finally hooks up with Jay, there isn't the big "you have to be out for me - request", no, Jay understands and is okay with baby steps. I liked that a lot. Yes, I really enjoyed reading this one. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Nette Geschichte Von Timberwlf in Zwei Hauptcharaktere, die weder perfekt sind noch in irgendeine Schublade passen. Sie treffen sich in einer Alltagssituation und wir drfen bei der Entwicklung ihrer Beziehung teilhaben. Sehr schn geschrieben. Happy End garantiert.

Kurzbeschreibung Loving You: Book One One thing Liam Turner knows for sure is that he's not gay after all, his father makes it very clear hell allow no son of his to be gay. And Liam believes it, until a chance meeting with James Jay Bell turns Liams world upside-down. Jay is vivacious and unabashedly gay from the tips of his bleached hair to the ends of his polished nails. With a flair for fashion, overreaction, and an inability to cork his verbal diarrhea, Liam believes drama queen Jay must have a screw loose. An accident as a teenager left Liam with a limp and a fear of driving. He cant play football anymore either, and that makes him feel like less of a man. But thats no reason to question his sexuality... unless the accident broke something else inside him. When being with Jay causes Liams protective instincts to emerge, Liam starts to believe all he knew in life had been a convenient excuse to stay hidden. From intolerance to confrontations, Liam must learn to overcome his fears and his father before he can accept his sexuality and truly love Jay.
