Von Karen Robards : Loving Julia (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Loving Julia (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very different characters.Von KiwiI found the characters in this book refreshingly different. Jewel is even beaten at the end of the book, Moorland cheats her the moment he appears in London... No love-sick eye-rolling heroes here.2 von 2 Kunden fanden die folgende Rezension hilfreich. Passionate Love StoryVon Loki ShamsThis is a beautiful novel. It is about a street waif named Jewel, who gets mixed up into some kind of scheme concocted by a rich dying man to make

trouble for his wealthy family. She meets Sebastian, the wealthy relative, and he decides to turn her into a lady to spite his evil mother. Over the course of their relationship, in which Sebastian tries to turn Julia (her new name) into a lady (reminiscent of My Fair Lady), he falls in love with the stunning beauty she becomes. There are many entertaining plots that occur throughout, just as there are heartwrenching ones. I thoroughly enjoyed this book. The characters and plots are extremely well written, Ms. Robards has outdone herself with this one. If you love passionate love stories that will make you laugh and cry, then this one is for you! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A heartwrenching, true "cinderella/my fair lady" romance! Von Ein Kunde If you've seen and loved My Fair Lady and Gigi, you'll love this book. I read it twice (from the library) and cried each time, returned it, forgot the title/author and now have been searching for months to find it again- This is my lucky day! You feel so close to the characters and journey with them as Sebastian learns to "live" and love, to step out of the cold, emotionless lord and overcome social class barriers. And there's a tender twist where we learn just why Sebastian can't believe in love, that anyone would love him for himself and not for his social standing and wealth (hint: has to do with his parents, specifically his mother). Then with Jewel/Julia, you feel with her the frustration of loving, what you will do or compromise for love, and its heartbreaking price. Above all, the final message is that you don't know how precious that one special love is until you lose that person forever.

Kurzbeschreibung Seventeen-year-old Jewel Combs is not a lady. She is a guttersnipe living hand-to-mouth on London's mean streets when she meets a dying man who marries her to spite his aristocratic family. Cold, aloof, breathtakingly handsome, Sebastian, Earl of Moorland, is the head of that family, and when widowed Jewel belligerently presents herself to him as his newest relative his inclination is to throw her back out on the streets. But instead he accepts her into the family to spite his icy, unloving mother, on the condition that Jewel let him turn her into Julia Stratham, lady of the town. Sparks fly between them as Jewel becomes Julia, a stunning beauty, and Sebastian finds himself falling head over heels in love with his own creation. But Sebastian has learned in a hard school that love is not to be trusted.... And don't miss Karen Robards' newest crime thriller, THE ULTIMATUM, available in June! Winner of Romantic Times' ers' Choice Award for Best Historical Romantic Novel Winner of Affaire de Coeur's award for Best Historical Romance New York Times, USA Today, and Publisher's Weekly bestseller Karen Robards is the six-time winner of Affaire de Coeur's Silver Pen Award for favorite romance author. Behold the wondrous star in the firmament of historical romance that is Karen Robards. With each new book her luster intensifies.... Romantic Times Ms. Robards has the marvelous talent to zero in on the heart of erotic fantasy. She seems to know instinctively our most secret thoughts and the dreams up the perfect scenario to give them free rein. The result is pure magic. RT Book s One of the finest, most talented writers of romantic history today. Affaire de Coeur Karen Robards is one of the most popular voices in women's fiction. Newsweek Robards is one terrific storyteller. Chicago Tribune About the Author: Ever since I was a little girl, I've loved to write. My first book was a ten-page effort written at age five for my grandmother. Throughout grade school, high school and college I wrote for various school publications. When I was eighteen, my first professionally published piece a humorous anecdote appeared in Readers Digest. Still, it never occurred to me that I might become a professional writer. I aimed for a career as a lawyer and was actually in law school when I sold my first book. When that happened, the world lost a would-be lawyer and gained a writer. That book, which is still in print, is Island Flame, and it was published when I was twenty-four. Since then, I've written over forty books, which regularly appear on the New York Times, USA Today, and Publishers Weekly bestseller lists, among others. The mother of three sons, I read, I write, and I chauffeur children. That's my life. Pressestimmen "Ms. Robards writes 'spellbinding romance.'" -- Publishers Weekly Kurzbeschreibung Seventeen-year-old Jewel Combs is not a lady.
