Von Nancy Kelley : Loving Miss Darcy (Brides of Pemberley Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Loving Miss Darcy (Brides of Pemberley Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Weaker than the first partVon CustomerWhile this story about Georgiana and Colonel Fitzwilliam is sweet and romantic, it is

also very predictable and in the end I got really annoyed with Fitzwilliam for being so stupid. This is also partly true for Georgiana. The whole conflict in this book revolves around Wickham again and Georgiana's worries on how much she is to blame for what happened are rather repetitive. A bit thin really, and not very well edited. Also, I would have liked to see more of Darcy and Elizabeth in their marriage. I enjoyed it nevertheless and have just bought part three of the series. After all, there's nothing to be said against a bit of light reading.

Kurzbeschreibung Georgiana Darcy watches daily as her brother and his wife fall more deeply in love and dreams of similar love and a home of her own. However, after the disaster years ago with Wickham, she does not believe that any man will have her; thus, the idea of a Season in London holds no appeal for her. Richard Fitzwilliam was tasked with watching over Georgiana and seeing her married to a deserving gentleman. The problem is finding a gentleman he approves of; not even his closest friends are deemed worthy of her hand. When scandal breaks and all Georgiana's worst fears seem to come true, will Richard realize in time how deep his affections run, or will they lose their chance at happiness?

ber den Autor und weitere Mitwirkende Nancy Kelley Janeite, blogger, and chocoholic is the author of two Jane Austen sequels. Her Mr. Darcy novel, *His Good Opinion*, was published in 2011. If Nancy could possess any fictional device, it would be a Time-Turner. Then perhaps she could juggle a full-time library job, writing, and blogging; and still find time for sleep and a life. Until then, she lives on high doses of tea and substitutes multiple viewings of Doctor Who for a social life.
