Von Susan M. Boyer : Lowcountry Boil (A Liz Talbot Mystery Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lowcountry Boil (A Liz Talbot Mystery Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 1 Kunden fanden die folgende Rezension hilfreich. Teil 2 Isst schon nach Von Domics Whrendl mir der erste Teil noch sehr gut gefallen hat - jetzt Isst sie schon nach, die Frau Boyer. Hm... ist zwar immer noch ganz nett, aber scheinbar geht der Autorin nach einem wirklich guten Erstling schon

ein bisschen die Puste aus. Die Story mit der Marilyn Doppelgängerin fand ich ein bisschen konstruiert und zu weit hergeholt - und den Geist hätte sie diesmal eigentlich ganz weglassen können, der wird nur hin und wieder eingeworfen. Und ob die plötzliche Lovestory mit dem Ex-Schwager mich jetzt überzeugt, weiß ich auch nicht.

Kurzbeschreibung USA TODAY BESTSELLER and AGATHA AWARD WINNER Imaginative, empathetic, genuine, and fun, *Lowcountry Boil* is a lowcountry delight. - Carolyn Hart, Author of *What the Cat Saw* Private Investigator Liz Talbot is a modern Southern belle: she blesses hearts and takes names. She carries her Sig 9 in her Kate Spade handbag, and her golden retriever, Rhett, rides shotgun in her hybrid Escape. When her grandmother is murdered, Liz high-tails it back to her South Carolina island home to find the killer. She's fit to be tied when her police-chief brother shuts her out of the investigation, so she opens her own. Then her long-dead best friend pops in and things really get complicated. When more folks start turning up dead in this small seaside town, Liz must use more than just her wits and charm to keep her family safe, chase down clues from the hereafter, and catch a psychopath before he catches her. It's a simmering gumbo of a story full of spice, salt, heat and shrimp. She had me guessing, detouring for a few laughs then doubling back for another clue right until the last chapter. - The Huffington Post Plenty of secrets, long-simmering feuds, and greedy ventures make for a captivating read... Boyer's chick lit PI debut charmingly showcases South Carolina island culture. Library Journal Twisted humor has long been a tradition in Southern literature (maybe it's the heat and humidity), and Boyer delivers it with both barrels. In lesser hands, all the hijinks could be distracting, but not in *Lowcountry Boil* Boyer's voice is so perky that no matter what looney mayhem her characters commit, we happily dive in with them. An original and delightful read. Mystery Scene Magazine Witty, droll, clever and just a tad quirky! This light-hearted and authentically Southern mystery is full of heart, insight, and a deep understanding of human nature. Susan M. Boyer is a fresh new voice in crime fiction! Hank Phillippi Ryan, Agatha Award-Winning Author of *The Other Woman* A keeps-you-guessing mystery full of romance, family intrigue, and the smell of salt marsh on the Charleston coast. A welcome visit home with people you want to know and, in some cases, are glad you aren't related to. A fun summer read! Cathy Pickens, Author of the *Southern Fried Mysteries* What do you get when you cross a Southern mystery, a ghost of a warning, a love triangle and a savvy protagonist who will stop at nothing? Easy, you get a page turning read *Lowcountry Boil*. Donnell Ann Bell, Bestselling Author of *The Past Came Hunting* Humor, a little romance, a charming location, and an intelligent detective with a few idiosyncrasies. Top it off with a murder mystery with a host of suspects. *Lowcountry Boil* might be Susan M. Boyer's first mystery, but it's an outstanding debut. Here's hoping Liz Talbot mysteries become a staple in the mystery field. Lesas Book Critiques Bubbles with all the ingredients of a great Southern mystery: A feisty firecracker of a main character, a magnolia-scented atmosphere, and pages full of simmering suspense and intrigue.
