My Loyalty will never have to be tested again...Von JulesI think I started reading that book and it didn't take me long at all to be really glad that I am a blogger. I won't lie, in the last time we had a lot of other books that just made me reconsider accepting any for review, so when I started this book, I was prepared for another disappointment. Boy, am I glad that was NOT what happened.When Ana and Jackson meet for the first time, and she mentally checks him out, I

already got all dreamy-eyed. The whole book started out great for me since L.A. Cotton has a way of writing that makes me feel as if I'm walking right alongside Ana. Seriously, the description of the high firs, the whole area of Chastity Falls University ... It was amazing. I was sucked right into the whole story. Then Ana and Jackson have their first date and he is all kinds of awesome. Of course he's awesome. Seriously, half of reading a romance book is about falling in love with your next Book-Boyfriend, right? And that's what happened to me. Somewhere around that time I started to write L.A. Cotton, too. After all, if I suffer, she might as well suffer, right? As with every book, there was a WTF-moment right in the middle of the book. Chapter eight... By then though I already know where we were heading ... Before reading on, I told her that this better not be happening... Not that this changed anything... Since I'm gonna try to write without spoilers, I have to skip a lot now, but I can tell you that what I love is how Ana pieces herself back together and I think, without herself realizing it, she is much stronger than she thinks. I love her, I seriously do. The plot in this book, the tension, the characters, THE BOOK-BOYFRIEND, man, it's amazing! I will not lie though, right after the end I couldn't think. I was feeling slightly numb, and heartbroken, and totally destroyed. Seriously, this just was... Either way, I sure hope that L.A. Cotton has mercy and let's us take part in the next-review round as well... Because seriously ... WAITING FOR RELEASE DAY?? Impossible. I find it hard enough to now wait. *huffs* I as well told the author that I was irrevocably in love with Jackson and staking a claim. I'm sorry, everyone. I can't help it. I want A Jackson. And a Banana Shake with Jackson. :-D
