one ended: Everything could've been all happy endish with Clara Luca, but suddenly his WIFE Isabella is standing in front of Clara at the Castle! How dare Luca not tell her he was married and make her THE OTHER WOMAN!? Luca still has to be in bed after being almost killed, so it's pretty easy for Clara to escape to Scotland for a while. She's really mad at him. But of course he follows her... Lots of things happen after the two of them finally stop fighting. Luca's wife and the hopefully fast divorce is only the least of their problems. WILL HAPPEN TO CLARA LUCA?? WILL THEY GET THEIR HEA?? WILL EVERYBODY SURVIVE THIS BOOK?? WILL THERE BE A CLIFFHANGER? \_\_\_\_\_ GREAT 2nd BOOK!!! I already mentioned this in my review for the first book... I'm not the biggest fan of Mafia Romances... but I'm a fan of whatever Jaimie writes, so I had to read it... And I loved it... This 2nd one was so much better than the first book in my opinion - it was just ... MORE... (well aside from the torture scenes - I wouldn't have minded a slightly youth appropriate version of that!) I love how Luca is so adorably in love with Clara and how he thinks he's in control!!! Cute... Lots of sexytimes in this book... and suspensy and funny and weird and crazy and adorable and verry sad moments... everything you need in your romances! If you like sexy super-exciting Mafia Romances... GO AND READ THIS SERIES!!!!!!!

Kurzbeschreibung Murderous thoughts. Those are what I had once Isabella walked through the door and revealed to me who she was. I needed an escape. An escape from my thoughts, an escape from the hurt, and an escape from ... him. I was a broken woman, but I was never going to break my resolve. I grew up being a fighter because I had to. No man could ever bring me down... Not even Luca. But, I had to admit, I never thought my heart would break as much as it did that day. Of course, I fled, but I was a fool to think he would ever let me go. He always told me I was his ... no matter what the cost. He was determined to keep meregardless of the lengths he had to go to reach his goal. He was like a moth to my flame, a tattoo carved into my heart. I could never escape his pull. I may have evaded him, but I knew it would just be a matter of time. Once he inevitably caught up with me, there would be no going back. However, no matter what I had expected or even imagined absolutely nothing could have prepared either of us for what happened next... Kurzbeschreibung Murderous thoughts.
