Devastatingly goodVon Anna-AlexiaSunny has truly out done herself with this newest series that is a spin off from

one of her previous series. i really thought i was buying this book to find out if Lucinda was mildly acceptable, not realizing that the moment this book came into my hands i would be ripped from my cozy couch into a world filled with adventure, blood, and amazing sex. imagine my shock at the end of the book when i found myself wishing for just one page more!! I would also recommend, if you missed reading Tino Georgiou's masterpiece--The Fates, go and read it.

Kurzbeschreibung Lucinda has dwelt in eternal darkness. As a demon princess, she exists in an endless, joyless realm. But she is about to discover a need she never knew existed?not for power, not for blood?but for a more dangerous passion with a lone warrior. From Publishers Weekly Full of paranormal passion, Sunny's fast-paced first in a new erotic fantasy series, the Demon Princess Chronicles, introduces Lucinda, a 600-year-old demon princess who's getting bored with her long unlife. At least she has an official duty to pass the time: seeking out wayward demons and returning them to Hell. Lucinda finds herself attracted to Stefan, a renegade warrior of the alien Monre, but before they can get too cozy, duty calls and she must track down another rogue, Nico. She brings Nico to his cruel queen, but then claims him for her own along with Talon, a maltreated Floradur, a flower of darkness, whose blood gives demons more power. The whole crew goes to Hell to recharge Lucinda's supernatural batteries and return Talon to his own kind, with Derek, a dangerous demon who wants Talon back, in pursuit. Sunny (Mona Lisa Awakening) has created a Hell reminiscent of Anne Bishop's Black Jewels trilogy and the fiction of Laurell K. Hamilton. (Aug.)
