Chicagoland Vampires-Novella: Merit and Ethan supposedly on holidayVon MinaNote: This novella is part of the Chicagoland Vampires series and as such not a real good place to start reading, if you dont know the main series. If that is the case, I recommend starting with Some Girls Bite.ReviewWhen I read that there will be a novella about

Ethan and Merit on a romantic holiday in a secluded Colorado lodge, I thought two things: 1) Oh great, Ethan-Meritalone-time! 2) Never ever do these two have a chance at some undisturbed time together. And sadly, I hit the mark spot on: Just when the two of them arrive in their wonderful lodge, the vamp friend of Ethans who let the lodge desperately seeks help, because her shifter husband was killed at their home. To complicate matters even further, there is a centurys old feud between the vampire clan and the shifters, who both live in the valley and claim it as theirs. So each group cries revenge, Merit and Ethan are right in the middle of it all and get into dire situations pretty fast. And there is a murder case to solve and peace to restore. I like these two directing the action and Merit fighting and doing her Sentinel thing. Additionally the case at hand was neatly solved and some revelation of past happenings in the valley made me sniffle a bit being so moved. So overall: a pretty cool short story and if you're a fan, youll definitely like it. What made me give it four stars, although its a well-rounded and interesting novella [something not many novellas accomplish], is the significant lack of page time for Ethan and Merit actually being on holiday. Meaning: I was as disappointed as the two of them that there virtually was not a single holiday moment. And since I was looking forward to it [while expecting trouble to follow them of course], I was miffed about the total absence. If youre not so keen on holiday scenes, you wont have that problem. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Verkrzt die Wartezeit auf Dark Debt... Von Miss Lillie Eine feine Kurzgeschichte, die die Wartezeit auf den nchsten Band der Chicagoland Vampires ein wenig verkrzt. Leider ist es nur ein Happen zwischendurch. Merit und Ethan brauchen dringend ein wenig Zeit fr sich, weit weg von den Sorgen des Hauses Cadogan, aber der rger folgt ihnen auf den Fu. Ihr Versuch einer romantischen Flucht wird direkt unterbrochen als eine Vampirfreundin von Ethan vor ihrer Tr steht--blutbesudelt und beschuldigt am Mord ihres Ehemanns, einem Gestaltwandler. Merit und ihr Meister bemerken schnell, dass ihr Ferienort viel weniger idyllisch ist als er scheint. Eine jahrhundertealte Fehde zwischen den ansssigen Vampiren und Gestaltwandlern macht die Stadt zu einem immerwährenden bernaatrlichen Kriegsgebiet, und das frische Blut lsst den explosiven Topf endgltig berkochen. Nun mssen Merit und Ethan ihrer Leidenschaft freinander eine Pause gnen und herausfinden, wer wirklich verantwortlich ist fr den Mord bevor die Hlle losbricht... Es passiert nicht wirklich etwas Neues. Die Allianz zwischen Ethan Sullivan und Gabriel Keene wird auf die Probe gestellt, Merit macht einem Gestaltwandler schne Augen- vielleicht treibt das Ethan ja dazu an, endlich ernst gemeint auf die Knie zu fallen, Gabriel bleibt kryptisch. Ich bin gespannt, was der nchste Band der Reihe zu bieten hat. Fr die gewohnt gute Leistung und die ersten zwei Kapitel von Dark Debt als Bonus gebe ich dieser Kurzgeschichte 4 Sterne.

**Kurzbeschreibung** In this thrilling new novella from the New York Times bestselling author of Blood Games, vampire Merit bites off more than she bargained for when a romantic trip to a secluded Colorado town turns deadly. Merit and Ethan are in desperate need of some alone time, far from the worries of Cadogan House, but trouble tends to follow wherever they go. Their attempt at a romantic getaway is quickly interrupted when one of Ethan's vampire friends shows up at their door--covered in blood and accused of killing her shifter husband. Merit and her Master soon discover their vacation spot is far less idyllic than it appears. A centuries old quarrel between local vampires and shifters has made the town a perpetual supernatural battle zone, and this fresh blood has stirred the already volatile pot. Now, Merit and Ethan must put their passion on pause to figure out who's really responsible for the murder before all hell breaks loose...
