Finished :-)))Von Sonnenfell... and waiting for Killian :-)))Thank you Sabrina for these amazing stories.Love the characters and the description of the background story2 von 2 Kunden fanden die folgende Rezension hilfreich. Gelungener Abschl!Von Tina G.Hat mir gut gefallen, denn Luke und Autumn sind ein ungewöhnliches Paar, sie zehn Jahre lter und alleinerziehende Mutter, Geschftsfrau und aus gutem Hause und nicht so leicht zu beeindrucken. Er jnger,

bindungsunwillig und will keine Verantwortung übernehmen. Es tauchen die Protagonisten der vorhergegangenen Bücher wieder auf und die Hintergrundgeschichte wird, mit einigen Überraschungen, auch gut aufgelöst. Eigentlich ist noch ein Bruder übrig, vielleicht bekommt der ja auch noch seine Geschichte.

Kurzbeschreibung Being good is for suckers. I won't be tamed. Luke There are three things in life I'm good at: screwing, jumping out of planes, and chasing forest fires. Settle down? With someone like Autumn Mayburn? Forget it. She's uptight, smart-mouthed, and she has a kid. She's ten years older than me. There are a million reasons I shouldn't touch her. Screw all of those reasons. The single mama with the smokin' hot body and the sass to match is going to be mine. Autumn I hate bad boys. Especially infuriatingly cocky, womanizing, ooze-desire-from-every-pore bad boys. I'm a mom. A businesswoman. I have responsibilities. The last thing I need is to get played by Luke Saint. He thinks that just because he saved my orchard from a fire, he can tell me how to run it. He thinks he knows what I need, what I crave. The problem is, I think he might be right.
