over heels. After the nightmares with Luca and his outlaw pack, Alec and his lover Philip as well as their friend Max start again in a new future. But good things don't last long when new trouble enters the town and seems to end their luck. Alec tries to fight for his loves but must confess that he can't stand this alone...but gladly his friends, old and maybe some new, are at his side...I love this books, the story is easy but unique in his way. You just have to love sweet Alec and his cute mate Philip and not to forget Max. Oh I love this girl and the way to handle her surroundings and friends. The whole story has it all you long for: some sexy guys, adventure, thrill, humour, romance and hot sex. And not to forget those little cliffhangers. But gladly the third book is in reach and I am looking forward to the last book in this series now!
