**Von Cameron Dean : Luscious Craving: A Novel** before purchasing it in order to gage whether or not it would be worth my time, and all praised Luscious Craving: A Novel:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Alot of sex but a good story Von Amber Well I have to say that I dont remember the main character from this book Candance

Steel being sowellslutty in the first book. In this second book she just slept and started meeting a guy regularly because he sat in her usual seat. This strange characteristic would have annoyed me a lot if it wasn't for the good main storyline. This second book in the series was good but I think the author could have left out the bed gymnastics. It will be interesting to see what the 3rd book is like!

Kurzbeschreibung **WHERE'S THERE'S BLOOD, THERE'S PASSION** Sexy vampire killer Candace Steele is back on the Las Vegas strip and determined to steer clear of Ash, the seductive vampire whose smoldering allure begs her to surrender to the dark side. But determination may not be enough when Candace's job at the glitzy Scheherazade casino drives her right into the center of Ash's deadly domain, for there are rumors of a New Year's Eve vampire assault on the casino, and only Candace can stop it. With the clock ticking down to the fateful night, Candace isn't sure if she can resist the overwhelming desire she feels for Ash, but she has run out of choices. She must go to Ash for help; even though she knows that the price he'll expect in return is nothing less than her body and her soul. From the Paperback edition.
