Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Drei Geschichten von bester Qualität Von LoveLetter Magazin The Principles of Lust: Die erfolgreiche Geschäftsfrau Teal Jamison beschließt den mutigen Schritt, sich mit einer erotischen Kunstgalerie selbstständig zu machen. Zur Seite steht ihr der knackige Tischler Zack Dillon, der neben seinem Gewerbe auch die Kunst der Dominanz und Unterwerfung versteht. Passion Play: Mia Jones fühlt sich nicht mehr wohl in ihrem alten Beruf und beschließt deshalb, ihr Hobby zum Beruf zu machen. Doch der Weg ist steinig, bis sie einen geeigneten Absatz für ihre erotischen Juwelendesigns findet. Erst Dominick Jamison kann ihr aus der Patsche helfen und erobert ganz nebenbei noch das Herz der unabhängigen Lebefrau. Sexual Healing: Die pfig geformte Masseuse Caitlyn Ellis hat keine Scheu, sich für Werbefotos für erotische Juwelendesigns auszuziehen. Ganz im Gegensatz zum scheuen und zurückgezogenen Fotografen Jack Lowell, dem beim Anblick von Caitlyns Sinnlichkeit beinahe die Kamera aus den Händen fällt. "Lush" von Sasha White vermag, was nur wenige Anthologien erreichen, nämlich drei Geschichten von bester Qualität, Charakterisierung und Erotik zu liefern. Die Heldinnen sind aus dem Leben gegriffen, reale Frauen, die sich in einer chaotischen und manchmal schwer zu ertragenden Welt den Mann für die Ewigkeit anheilen. Selbstständig, originell und nicht immer mit dem Idealgewicht gesegnet, entsprechen sie genau der Art von Frau, über die Frauen heute gerne lesen. Auch das männliche Geschlecht wurde nicht in der Retorte gezeugt - ignoriert man die perfekten Körper - sondern individuell inszeniert und mit großen Veränderungen im Leben konfrontiert. Wer neben kurzweiliger Unterhaltung auch nach erotischen Leckerbissen

Ausschau hlt, ist bei der jngsten Verffentlichung dieser Autorin bestens bedient. (KW)

Kurzbeschreibung Step into Lush, the decadent art gallery that specializes in the sensual, and let your desires set your heart free. The Principles of Lust Businesswoman Teal Jamison knows what she wants and isnt afraid to go after it. With her dream art gallery about to open, shes in need of some serious stress relief and virile carpenter Zack Dillon is just the man to give it to her. Only Zack doesnt think theyre a good match. He likes to be in control, always, and Teals anything but submissive when she comes on to him. When Teal refuses to give up the chase and the two come together in an explosion of heat, but will the flames of their desire burn them, or forge an unbreakable bond? Passion Play Jewelry designer Mia Jones is having a hellish day until she runs smack into a deliciously hard body in the park and ends up straddling a good-looking dude with magic lips. Used to being on her own and doing for herself, Mia guards her heart close, and depends on no one. Which means always keeping things light and walking away. The ultimate bachelor, Dominick Jamison isnt used to being kissed near blind, then turned down flat. When it happens, he cant get the mystery woman out of his head, and is thrilled to happen upon a second chance later that night. This time theres no denying the sparks that fly its the beginning of a hot and sexy, no-strings affair. But how will they deal when hearts get involved and their sensual battle of wills turns into more than passion play? Sexual Healing Free thinking Caitlyn Ellis isnt shy about things that come naturally to human nature. Shes confident, sensual, and caring, so agreeing to be the nude model for her best friends erotic jewellery line is no big deal to her. Ex-combat photographer Jack Lowell isnt looking for a relationship. Hell, hes not looking for anything, from anyone. He just wants to be left alone, but he's agreed to do this beauty shoot as a favor. After an enticing show of sensual self-love Jack cant deny himself the pleasure of Caitlyns lush curves and comforting arms. When its over, Caitlyn isnt willing to walk away, no matter what Zach says. She thinks that by setting his body on fire she can heal his battered soul, but what if shes wrong? Synopsis Sleek and sexy erotic art gallery owner Teal Jamison knows what she likes and isn't afraid to let carpenter Zack Dillon know that her current fantasy features him in all his masculine glory. But Zack has a deliciously different game in mind for a woman accustomed to taking charge... Quick to follow where passion leads, then back off when things get too close, jewelry designer Mia Jones' sensual odyssey with singles columnist Dominick Jamison is perfect: hot, sweet, and with no risk of complications. But how long can her heart stay cold - when she's lost in the heat of a man devoted to every forbidden pleasure her body craves? When massage therapist Caitlyn Ellis shows photographer Jack Lowell the joys of sensual self love for the camera, he can't resist the erotic invitation to take pleasure in her lush curves - or deny himself the hands-on ecstasy of loving a beautiful woman determined to heal his battered soul... by setting his body on fire.
