**Von Nadia Nightside : Lust Fever (Bare Pleasures Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lust Fever (Bare Pleasures Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. I don't want to be a participant... but it is hot! Von witchflame I got this book as an arc for an honest review... and like every time... Nadia Nightside don't disappoints. Rebecca and Frank are participants in an experiment.. and are not liking each other.. hating would be a tad to much.. but you get the pic.. Both of them don't know, that they are injected with

some virus.. which killed the other test-subjects in about 24 hours.. through too much love-making.. (sorry.. .. will not let me call it by its real name) and too high body temperatures.. but those 2 are something ... special...Those book is extra hot.. and I hope there will be a next one! As the end.. is somehow... open! :)

KurzbeschreibungThey thought they could resist it. They were wrong.Rebecca and Frank couldnt be more opposite. Hes a randy, womanizing alpha-male handyman; shes a stodgy-but-lovely corporate lawyer with no time for sex. But when they volunteer for a special experiment, locked in a room together for hours, all their differences stop mattering. They dont know it, but theyve been injected with a special virus. It floods through their bodies and lights their brainsand their loinson fire. Rebeccas first-world desires slowly dissolve to nothing more than a need for a hot, virile male to fill her fertile body. And Franks womanizing, use-them-and-lose-them manner transforms into fierce feelings of protection for the luscious woman hes made his mate. Their bodies overload on nonstop erotic pleasures, and they cant help but want more. They have no protection, and they dont care. What theyre feeling is primal. Unstoppable. Heated and crafted from the elements of pure bliss. Its Lust Feverand theres no cure.KurzbeschreibungThey thought they could resist it. They were wrong.Rebecca and Frank couldnt be more opposite.
