KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nice readVon morganI liked that one. walking out on a guy after a very hot night of hot sex? nice move! Especially when

the guy was the type who already had almost every girl in highschool. ha!But it had its flaws. The H somewhat creeped me out. He was pretty controlling, in a strange stalker-way. If I were the h, I would've moved far far away somewhen around the middle of the book. huh.And by now I'm getting very very annoyed by those stories where every couple of pages the author has to remind us that the H is indeed filthy rich. Why is that so important to anyone's character? In this book, most of the occurrences of the word "billionaire" were totally pointless.Still, was a nice read, and the reasons why the H was the way he is, came out in the end. So... Am curious about the second one.

KurzbeschreibungLoving Gabriel Gordon was like trying to love the sun...I was destined to burn.Gabriel Gordon, billionaire and playboy extraordinaire, bedeviled me, teased me, and more often than not, made me want to throw things at his head. Still, just as in high school, I couldn't help but see the pain behind his lazy grin and the shadows in his crystalline gaze. When Gabriel confessed his love for me, I should have been the happiest woman in the world. Too bad I couldn't believe him...Emma Adams had always considered herself level-headed, even-tempered, and most of all, sane. So how did she become someone who couldn't seem to push Gabriel Gordon away? No matter how sweet his words could be or how easily passion exploded between them, getting involved with the outrageously wealthy playboy had to be the height of insanity. Given their tumultuous natures and personal demons, there was only one way a relationship between them could survive: in madness.Emma and Gabriel's love story continues in "Bad for You".KurzbeschreibungLoving Gabriel Gordon was like trying to love the sun...I was destined to burn.Gabriel Gordon, billionaire and playboy extraordinaire, bedeviled me, teased me, and more often than not, made me want to throw things at his head. Living in the Southeastern United States, she enjoys antiquing, DIY thrift store finds, sedate hiking along trails, and spending time with her family and menagerie of pets. Being the only girl in a household full of men makes it hard to always be a lady, but she gives it a good old college try.
