Von J.M. Darhower : Made: A Sempre Novel (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Made: A Sempre Novel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. MadeVon Mrs ANach den beiden ff Geschichten Sempre und Sempre: Redemption hat J.M. Darhower nun die Geschichte von Corrado heraus gepickt, dem stoisch ruhigen Mafia Mitglied, der unglaublich viele Menschen umgebracht hat, um La Costra Nostra zu dienen und seine Familie zu beschützen.Die Geschichte erzht von der Geburt

des Kindes und führt uns durch das Leben des Jungen, bis er sich der Mafia anschließt. Das Buch lässt sich gut lesen, aber zu vieles ist leider schon bekannt. Wer die anderen Bücher gelesen hat und auch schon vorab die FF Outtakes kennt, der kommt hier nicht wirklich auf seine Kosten. Es fehlt die Spannung der beiden ersten Geschichten. Die dunkle Seite des Mannes, der nur zur Ruhe kommt, wenn er alleine mit seiner Frau ist. Wer wissen will, warum der Mann so ist, wie er ist, dann lohnt sich das Buch. Da ich ein Fan der ersten Stunde bin, hatte ich etwas mehr Spannung erwartet. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A must-read companion to the Sempre series Von J.K. Made is Corrado Moretti's story. We met Corrado as the "Kevlar-Killer" in *Sempre and Redemption*. But who is he really? The good guy or one of the bad guys? My answer is neither. Corrado is exactly who he was supposed to be. In *Made* we meet him as a seven year old. Growing up with a negligent, even abusive mother and absent father and his evil twin sister Katrina. He learns his lesson early, not to get too attached to anybody, when he witnesses his mother brutally beating "the help" (and yes, I actually mean slave) to death. He idolizes his father, who unbeknownst to Corrado is a Made Man, who works and owns his loyalty to the Boss, Antonio DeMarco. As a child Corrado meets the DeMarco children, Vincent and Celia, and Celia becomes the only person who can get close to Corrado. As a grown-up he starts working for Antonio DeMarco himself and pretty fast he builds his reputation as a merciless killer. But there is also another side to Corrado. He and Celia fall in love and marry. Corrado also has a front-row seat to the love story of Vincent and Maura and all the heartbreak that follows. *Made* is not simply a love story, even though the relationship between Corrado and Celia is a big part of this novel. Corrado is an Anti-hero and his story is heartbreaking. He is a killer but reading this story it seemed like there was never any chance of Corrado becoming anything less than the (in)famous Kevlar Killer. *Made* should definitely be read after *Sempre and Redemption*, even though it actually takes place mostly before. For everyone who has loved the *Sempre* books and has been intrigued by Corrado, this is definitely a must-read. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Einer meiner Lieblingsbücher Von Jasmin Nach *Sempre und Redemption* war ich gespannt auf dieses Buch. Und nicht enttäuscht. Man lernt mehr über Corrado und versteht ihn besser. *Made* kann definitiv mit den anderen 2 Büchern aus der Serie mithalten.

Kurzbeschreibung Corrado Moretti. The world knows the notorious Kevlar Killer, but few have ever seen what lies beneath his armor. The abused child. The neglected teenager. The broken man. He always did whatever he had to do in order to survive. It's kill or be killed. Throughout his life, he has been there in the shadows, a witness to everything from beginning to end. Bound by loyalty and honor, there's only one thing he would sacrifice it all for: family. Never get close. Never get attached. It's a lesson that has been brutally pounded into him since childhood, but they're words the DeMarcos make it difficult for him to follow. Through them he finds love and grieves loss, realizing the world isn't quite as black and white as it's made out to be. *Made*. **Kurzbeschreibung** Corrado Moretti.
