HumorousVon Kindle JunkieThis was an amusing and entertaining read. Poor Harry is trying to get some "quality"

time to talk to Magenta and finally gets his chance when Magenta arrives to rescue him from the mine he's gotten trapped in. SPOILER - Harry still seduces Magenta with word and touch, even though he knows the crowd waiting outside can hear them within the chamber. He thus causes her embarrassment, although he's applauded for his way with words. That he did not consider her feelings bothered me a bit.

Kurzbeschreibung Harry Boyles genius IQ has failed him. The alpha geek stupidly followed relationship advice from Invertarys resident evil mastermind eighty-seven year old Betty. Thats how he ended up trapped in an abandoned mine waiting to be rescued by his high school crush. The same crush he still loves. The one hes come back to town to claim. Magenta Fraser doesnt want to be claimed what is this? The Stone Age? The sarcastic Goth with a fondness for hitting first and asking questions later has been avoiding Harry. Hes her Kryptonite. Around him she loses her badass powers and becomes a pathetic giggling girl. As the local caving expert, she has no choice but to rescue the man. But that doesnt mean she has to talk to him. Or touch him. Or do any of the other X-rated things that keep popping into her mind. All she has to do is resist him, rescue him and then run from him before he uncovers her secret.

ber den Autor und weitere Mitwirkende I'm a Scot, living in New Zealand and married to a Dutch man. I write contemporary romance with a humorous bent. My Invertary series is set in a fictional Scottish town deep in the Highlands, and my London series is about friends who are from that city. If I wasn't a writer, I'd like to be Buffy the Vampire Slayer, or Indiana Jones. Unfortunately, both these roles have already been filled. Which may be a good thing as I have no fighting skills, wouldn't know a precious relic if it hit me in the face and have an aversion to blood. When I'm not living in my head, I'm a mother to two kids, three pet sheep, one dog, three cats and an escape artist chicken.
