**Von Laurie Grant : Maggie and the Maverick** before purchasing it in order to gage whether or not it would be worth my time, and all praised Maggie and the Maverick:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The book is so heart-warming!Von Ein KundeThis book is an amazing love story! It's the story of acceptance, comedy, and love conquering the odds! This book reminds you that no matter who or what you are, there is someone special out there for you! And if you're lucky, you just might find the person right under your nose!

KurzbeschreibungYou Just Couldn't Count On A WomanThat's what Garrick Devlin believed when his wife deserted

him after the war. Now he'd been deceived by a woman again. The man he'd hired for his Texas newspaper had turned out to be a meddling female and a Yankee to boot! But her fiery beauty still attracted him, though he knew perfectly well that a woman couldn't be trusted. Love saw with the heart, not the eyes. And Maggie's heart longed for Garrick Devlin and his young son. But would Garrick ever learn to trust her? Or would a foolish liaison from her past forever destroy their newfound chance at happiness?

**Kurzbeschreibung** You Just Couldn't Count On A Woman That's what Garrick Devlin believed when his wife deserted him after the war. Now he'd been deceived by a woman again. The man he'd hired for his Texas newspaper had turned out to be a meddling female and a Yankee to boot! But her fiery beauty still attracted him, though he knew perfectly well that a woman couldn't be trusted. Love saw with the heart, not the eyes. And Maggie's heart longed for Garrick Devlin and his young son. But would Garrick ever learn to trust her? Or would a foolish liaison from her past forever destroy their newfound chance at happiness?

**Autorenkommentar** A western romance set in Texas in 1868 Garrick Devlin was an embittered Civil War veteran who hated Yankees and distrusted women. When the "pressman" for his new newspaper turns out to be both a Yankee and a woman, sparks fly! I enjoyed researching frontier journalism in this latest of my Devlin series. Each book in it, however, stands alone--one need not have read DEVIL'S DARE or LAWMAN to enjoy MAGGIE AND THE MAVERICK, but you may find you'd like to order them too once you've enjoyed Maggie's taming of crusty Garrick Devlin!
