Now I want moreVon Weeping MoonFiria, a young human woman, knows what she wants and she is determined to let her dreams come true - becoming a sorceress! To prove those elves her power and skill, she summons the fiendish yet charmingly cheeky demon Varuj.From there on, her magical journey begins and on

the path she meets Mae'lin, a friendly elven lad and many more. The little summary didn't lie about the love triangle. Style and Story Those who know the other books of J.E. Keep and M. Keep, will notice that this story sticks much more to character depth and story instead of steamy kinky sex scenes. Yet, lovers of hot erotica won't be disappointed. The love triangle between Mae'lin and Varuj makes certain of that ;-). The story flow itself is smooth. I do not feel rushed nor do passages read boring. I pretty much like the pace. When I started to read I couldn't put the book away. I nearly missed my good night sleep and almost forgot to eat during my lunch break. Does not happen often :) I have read many romance novels, involving infernal beings, summoned by mages or invading this world. Varuj is not the stereotype enslaved brute demon (even if he looks like it), and even if he can shapeshift into mortal forms, he still prefers being what he is... that, his sense of honor and dry humor made him very quickly my favorite. Mae'lin is a young elven lad, somewhat naive yes - but unlike most of the other elves he is neither arrogant nor plotting for his own advantage. This brings him pretty fast very close to Firia. Firia herself, she is young and her lack of experience in certain matters shows pretty much. Though, despite being naive at times she is smart and willing to go through pains to achieve her goals. In the end, she never loses the ground beneath her feet for too long. End of Story - now I crave more :-)

Kurzbeschreibung Out of a young woman's ambition comes a love triangle that could destroy more than her heart. Firia is smart, ambitious, and a natural in magic. She's also a human, and thought to be a weaker spellcaster than the elves. She needs an edge to be accepted into the prestigious Magic Academy. She summons a demon, Varuj; he's a terrifyingly gorgeous spirit who helps her win the entrance competition. But at what price? As the commanding demon does everything he can to penetrate every aspect of her life, Firia still finds herself drawn to her study partner, Maelin. He's completely different from the powerful Varuj, but love between a human and an elf is forbidden. As her magical powers grow, she must choose between the demon she owes her life to and the elf who makes her feel whole. This new adult romance is from adult fantasy romance authors J.E. M. Keep.
