More!Von ChrisI just like this series. Can't wait to read the next volume. The main character is a feisty sharp-witted

investigator and I like the struggles and inter-personal issues she is dealing with. More, please!

KurzbeschreibungAllie Beckstrom's lover, Zayvion Jones, is a Guardian of the Gate, imbued with both light and dark magic and responsible for ensuring that those energies don't mix. But Zayvion lies in a coma, his soul trapped in death's realm. And when Allie discovers that the only way to save Zayvion is to sacrifice her very own magical essence, she makes a decision that may have grave consequences for the entire world.
