**Von Ilona Andrews : Magic Breaks (Kate Daniels)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Magic Breaks (Kate Daniels):

KundenrezensionenHilfreichste Kundenrezensionen11 von 11 Kunden fanden die folgende Rezension hilfreich. Good...Better...THE BEST! I'd give it 10 stars if it were possible.Von Curls Up With A BookIt is getting redundant

but I simply can't help myself: This is the best book of the series so far...and I pretty much said that about EVERY SINGLE BOOK in the series. I read a lot (and I really mean a lot), but I have NEVER come across a series with such a constantly high level as the authors deliver with each and every book of this series. There never was a dull moment - and you really won't find them in the latest installment. The book starts with a short introduction of the main characters, followed by a brilliant abstract of the "road so far" - Barabas' journal catches you up with the story line. Even though I didn't need the reminder I highly enjoyed it and it got me into the right mind set to really dive into the book. This was a fantastic idea so that at the start of the actual book you can drive straight into the plot without 50 pages of trying to explain what happened when why. The plot thickens - while Curran is away to bargain with the Panacea Kate is on her own and has to deal with an incident that could start a war between the Pack and the People. We meet Hugh again (who needs killing) and Hibla (who really needs killing). Also, Roland is advancing on Atlanta - he does not like the rising power of the pack and he is most curious about his daughter - yes, we finally get to meet the Builder of Towers!!! To top it off the book ends with a really nice short story about Julie (seeing that she does not play a part in the main book she gets to shine in a well rounded young-adult kind of mini-novella). Here we also meet another side character from the novella Magic Dreams - I was totally excited about that and can't wait to see where his character will go. It was so good that I actually hope for a full-length YA-book about Julie and her adventures at her new school. I can't even begin to explain all the things that I love about this book. It is kind of a "semi-final" in the series, a turning point if you will. Old story lines are brought to a brilliant conclusion, the plot never goes where you expect it to go and new storylines are ever evolving. The character development is as always superb, Kate and Curran are just mind-blowing in their interactions, their maturity and their willingness to sacrifice for their people and especially for each other. New/sideline characters are introduced or brought to the spotlight, respectively. There is more interaction with the People - which is a given seeing that the meeting of father and daughter is inevitable. Many series suffer after a couple of books (Anita or Sookie, anyone?). This series: not so much. This is just such a well-rounded book that I have to ask myself why there aren't more authors who can deliver each and every single book with such a high standard - because obviously, it can be done! Enough gushing. Well, not enough: sometimes you just read a book (in this case a whole series) that just speaks to you. Characters that are so life-like that you want to meet them. Characters that really touch you not because they are perfect (who is?) but because they are perfect for each other. Characters who just strive to do what is best for the people that depend on them - sometimes even at high personal costs to themselves. And it is not only Kate and Curran, every single character in this book is well-rounded, if not always likeable. Nothing and no one is one-dimensional, which contributes to the brilliance of this book and this series. Okey, enough gushing now. For those of you who haven't started on the series (seriously, just what are you waiting for???), here is the sequence of books and stories as found on the homepage of the authors (a site I also recommend you visit, especially for the free online novellas Clean Sweep (finished) and Sweep in Peace (at this point at Chapter 5): 1. Questionable Client (short story, prequel to the series) 2. MAGIC BITES 3. MAGIC BURNS 4. MAGIC STRIKES 5. Magic Mourns (Raphael and Andrea novella) 6. MAGIC BLEEDS 7. Magic Dreams (Jim and Dali novella) 8. MAGIC SLAYS 9. GUNMETAL MAGIC (and Magic Gifts) Andrea's book Kate Daniels World #110. MAGIC RISES 11. MAGIC BREAKS 12. Magic Steals (Second Jim and Dali novella) November 25, 2014 (can't wait for this one, included in "Night Shift") 13. Kate 8 untitled, under contract YES YES YES more!!!! 14. Magic 9 untitled, under contract

3 von 3 Kunden fanden die folgende Rezension hilfreich. Ich liebe Kate Daniels!!!! Von Customer Ilona Andrews kann einfach nichts falsch machen. Ich liebe die Bücher um Kate Daniels, denn sie ist einfach eine Protagonistin, die nicht mit anderen zu vergleichen ist. Sie ist stark, sarkastisch, hat eine groe Klappe und beschützt ihre Freunde mit ihrem Leben. Auch in diesem Band muss sie wieder ihr Leben riskieren, um die zu retten, die sie liebt. Die Beziehung zwischen Curran und Kate ist einfach toll mitzuverfolgen. Das Vertrauen, das die beiden freinander haben, ist einfach total schön und die Interaktionen der beiden sind gefühlvoll, lustig, sexy, usw... Man sieht, ich liebe die beiden als Paar. Auch Ghostek lernen wir in diesem Buch näher kennen, worüber ich sehr froh war, denn ich mochte ihn von Anfang an. Hier muss sich Kate auch als Alpha beweisen, denn Curran ist aus einem bestimmten Grund den Großteil des Buches nicht da. Ich fand das sehr spannend mitzuverfolgen wie Kate auf einmal alleine Entscheidungen treffen muss. Das Wiedersehen des Paares war aber umso schöner :D Insgesamt ein toller Band, bei dem auch einige Dinge passieren, mit denen man überhaupt nicht rechnet, vor allem nicht mit dem ENDE!!! Ich weiß ehrlich gesagt auch nicht, was ich von dieser Wendung halten soll, weil dies alles verändert wird.. wir werden sehen. Ich kann mich eigentlich nur wiederholen: Diese Reihe ist super und goldwert! 6 von 6 Kunden fanden die folgende Rezension hilfreich. I love it... Von Rhayne Ich mag nicht zuviel zum Buch sagen... Es spielt nach dem Ausflug von Kate und Curran nach Europa. Aunt B ist tot und die Shapeshifters müssen sich neu sortieren und der neuen Bedrohung ins Auge sehen. Sehr schick sind die beiden Zusatzstories im Buch, die man durchaus lesen sollte. Spoiler: der wichtigste Part des Buches, ist die im Raum stehende Begegnung zwischen Kate und ihrem Vater. Und bei mir hing beim Lesen immer ein Satz von Hugh im Raum - Warum glaubst du, wenn du deinen Vater triffst, dass er dich umbringen wird. Das Vorgängerband hat eine völlig neue Tür geöffnet. Durch die Aktionen von Hugh und dem Erscheinen von dem Sheppard. Damit hat man eine Variante sich eröffnet, an die man gar nicht glauben mag. Roland könnte stolz auf seine Tochter sein??? Erstmal allerdings gibt es eine erneute Konfrontation zwischen Hugh und Kate, welche ohne Curran zum Konklave muss. Man

merkt mit jedem Satz, wie sehr sie das ganze Theater hasst, aber für Curran es mit allem aufnimmt. Nach wie vor ist diese Beziehung aber auch immer wieder unter Beschuss, was allerdings nicht ausgenudelt wirkt, sondern liebevoll und authentisch. Ich liebe das Buch sehr, da es mich ein wenig mit div. Charakteren versöhnt und neue Möglichkeiten eröffnet, ohne dass es langweilig werden könnte

**Kurzbeschreibung** In the latest novel from #1 New York Times bestselling author Ilona Andrews, no matter how much the paranormal politics of Atlanta change, one thing always remains the same: if there's trouble, Kate Daniels will be in the middle of it. As the mate of the Beast Lord, Curran, former mercenary Kate Daniels has more responsibilities than it seems possible to juggle. Not only is she still struggling to keep her investigative business afloat, but she must now deal with the affairs of the Pack, including preparing her people for attack from Roland, a cruel, ancient being with godlike powers. As Roland's long shadow looms ever nearer, Kate is called to attend a gathering of leaders from Atlanta's supernatural factions. When one of the Masters of the Dead is found murdered by a shapeshifter, Kate is given less than twenty-four hours to hunt down the killer. And this time, if she fails, she'll find herself embroiled in a war that could destroy everything she holds dear.

**Pressestimmen** Praise for the Kate Daniels novels: Ilona Andrews pens my favorite flavor of keeper novel: tough characters, marvelous voice, fast paced with that sharp edge of humor that adds the final grace note. Patricia Briggs, #1 New York Times bestselling author. One of the brightest voices in urban fantasy, and one of my favorite authors. Ilona Andrews delivers only the best. New York Times bestselling author Jeaniene Frost. Vividly imagined fight scenes, clever use of obscure mythology, a uniquely interesting setting, and rich characterization make this a rare treat. Publishers Weekly. Kate is a great kick-ass heroine. Locus. Andrews' edgy series stands apart. Library Journal. A blend of gritty magic and dangerous mystery. The Parkersburg News and Sentinel. Gritty sword-clashing action and flawless characterizations will bewitch fans, old and new alike. Sacramento Book. All-nighter material. Hot Action, heart-stopping emotion, and quick wit banter all in one delicious package. If there is one author that defines Urban Fantasy, it is Ilona Andrews. Fresh Fiction. Absolutely FANTASTIC. Shapeshifting, sarcastic, kick-ass glory! Fantasy Faction.
