Von Cynthia Bailey Pratt : Magic by Daylight (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Magic by Daylight (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A haunting otherworldly regency romanc-A Winner!Von Ein KundeIn 1800 at Hamford, Lady Clarice Stavely is happy that her best friend is getting married, but sad for herself because she knows how lonely she will be. Clarice has rejected several suitors that wanted her title and money. She wants a male to simply respect her, but after her one season in London Clarice believes that will never occur. Clarice has a couple of scary experiences in which she feels a person on a black horse is after her. She wonders if the Fay might be in the area.Following the wedding party, everyone leaves Hamford. However, a new guest arrives. Author Dominic Knight plans to write a book on the relics in the area. Since he holds a letter of introduction from her brother-in-law Blaic Gardner, she allows Dominic to stay at

her home in spite of propriety questions. Clarice doubts her guest is a writer and wonders what his true agenda is. Dominic is a mortal who works for Forgall, King of the People. His monarch assigns him the task of keeping Clarice safe during the upcoming civil war among the fairies. However, as they stay in close proximity, neither Dominic nor Clarice expected love to blossom. **MAGIC BY DAYLIGHT** is a delightful otherworldly regency romance. The little tidbits that author Lynn Bailey blend into the subplots allow the readers an intimate taste of the Regency period and make the Fairy Kingdom seem genuine. The lead protagonists are an entertaining duo, but it is the support cast that provides layers of depth to support the complex story line. With novels like this one, Ms. Bailey will bring home former sub-genre fans while the current audience will clamor for more. **Harriet Klausner** 0 von 0 Kunden fanden die folgende Rezension hilfreich. **Magical! I loved it!** **Von Huntress Reviews** Viscountess Clarice Stavely welcomed the man named Dominic Knight into her home. After all, he had a letter from her brother-in-law vouching for his identity and honor. He was supposed to be a writer who was in the area to write a book on the relics in Hamdry and the moors. In truth, he was under orders by the Fay King, himself, to keep an eye on Clarice. The most I can tell you without revealing the surprises, yet to help you understand what this book is about and whether you would enjoy it, is that the Fay King needed Clarice as a pawn due to a war in the Fay world. Dominic was to be her jailer and guardian, because the King's enemy was trying to kidnap Clarice for different reasons. Full of magic, faeries, and a few mythical beings, this is the **ULTIMATE** of Super Natural Romance books! 0 von 0 Kunden fanden die folgende Rezension hilfreich. **magical** **Von Karisa Nguyen** I thought this book was very good, although it was a little slow during the beginning it got much more interesting towards the middle and end. It's about a mortal falling in love with another mortal that he was sworn to protect by the king of the Fey (faery people). The betrayals that Clarice has to go through and the suffering that both knight and her have to endure to make their love work is truly magical. Not to mention the fact that her mortal mother, who was turned into an immortal is now trying to take over the land of the Fey, makes some unusual twist into the story

Kurzbeschreibung Dominic Knight claims to be a historian, but his real mission is to end the strife in the faery kingdom. Clarice Stavely, beautiful and rich, has never found a man so fascinating, and opens her home and heart to him. But when she discovers his real motives, she embarks on a dangerous journey in the faery world and is forced to make a devastating choice. **Paranormal Historical Romance** by Cynthia Bailey Pratt writing as Lynn Bailey; originally published by Jove **Kurzbeschreibung** Dominic Knight claims to be a historian, but his real mission is to end the strife in the faery kingdom.
