Von Diana Palmer : Magnolia (Mills Boon MB) before purchasing it in order to gage whether or not it would be worth my time, and all praised Magnolia (Mills Boon MB):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great read. Everthing I like in one book.Von janel tauegJohn and Clarie are perfect for one another (although it takes John a little while to realize this fact). The emotional aspects in this book were wonderful and increasingly hard to find in more recent romances. I liked the fact that the conflict was in the characters' relationship as well as outside of it. I highly recommend.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book, would recommend to anyoneVon Ein KundeMagnolia was a great read. I couldn't put down. Claire and John are such appealing characters. I

have read it over and over again, and it's just as good as the first time.

Kurzbeschreibung Atlanta in 1900 was a city of contrasts: a bustling place where commerce and high society flourished amid the languid rhythms of the sultry South. Claire Lang loved her life there, but one man's presence unsettled her very soul. John Hawthorn's dark eyes and lean, handsome face captivated Claire more than she wanted to admit. And when tragedy struck, Claire found herself desperate enough to marry him a man who couldn't return her passionate love. As the fragrant scent of the magnolia wafted on warm breezes, Claire aroused fierce, unexpected desires in her elusive husband. And once she had tasted his kisses and savored his lovemaking, she dared to fight for him as a sizzling scandal threatened to engulf them and the love she began to believe could be theirs.
