**Von Kim Dare : Magpie (Avian Shifters Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Magpie (Avian Shifters Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Herrlich kaputte VgelVon Julia HaresfordWie der Titel schon sagt handelt es sich um ein Buch der Avian Shifters Serie von Kim Dare. Wem der erste Teil gefallen hat kann ich nur empfehlen sich auch diese Fortsetzung zu genehmigen. Auch wenn sie meines Erachtens nach einen Tick weniger gut als der erste Band ist. Leider gibt es bisher nur die beiden

Folgen.

KurzbeschreibungEveret has found his perfect place in the nest. As a raven, hes ideally suited to his new role in the nests security flock. Some of the jobs it entails have been far more enjoyable than others, but when hes called to retrieve a magpie, whos got himself into trouble in a local human club, it becomes a truly life changing experience. Magpie shifters have always been looked down on by other avians. Just as attracted to shiny things in their human bodies as they are in their avian forms, everyone knows theyll do anything for moneyand theyre not above stealing what they cant get by more honest means. Kane knows what being a magpie means, and hes got the bruises to show for it. When Everet rescues him from his latest scrape, Kane knows better than to believe the raven will actually take an interest in him and his welfare, but its just possible that Everet is different to any other man Kane has ever met.Please Note: This book is best read in order as part of the Avian Shifters series. The previous stories are Duck! and Celebrate.Please also note: This is the second edition of this title. It has been tweaked and re-edited, but the story hasn't changed.
