'Cause I love Cinderella stories...Von Ein Kunde...no matter what.This one could have been a bit more intriguing and I missed a few scenes but it is an easy enjoyable read.The story is that Maria's "friends" from the office try to set her up but the didn't count on a real prince showing up turning the tables.He is very tempting to the sweet virgin and he doesn't know why he's so fascinated.

Kurzbeschreibung Maria McPherson's birthday present from her friends at the office is supposed to be a fake. Well, somebody better call the escort agency - because the drop-dead-gorgeous man who just stepped off the elevator is real live royalty! Prince Antonio Boniface is wealthy, handsome and sophisticated. And he's more than willing to teach an inexperienced young woman everything she doesn't know about life - and love. The temptation to give in to him, to let him sweep her away into his glamorous world, is just about irresistible. But if she has this man in her bed, even for one night, will she ever be able to let him go?
