**Von Linda Windsor : Maire (The Fires of Gleannmara)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Maire (The Fires of Gleannmara):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Book ONE of the FIRES OF GLEANMARA seriesVon RedThe synopsis as stated on the back of the book:In an age of darkness comes a flame that will change the Isle of Erin and her people forever...Ireland. During the Fifth Century. An ancient land of timeless mystery where - in the age of patron saints - the spark of Christianity spreads like the wildfire

among kings, scholars, and peasants alike. And nowhere is the impact greater than among the druids, as the light of Christ divides those seeking truth from those seeking power. Against this backdrop of passion and courage, two warriors stand firm: Rowan of Emrys, reformed mercenary, leader of his tribe; and Maire, warrior queen of Gleanmara. Sold into slavery as a child by his own brother, Rowan now fights the inward desire for revenge. But this battle-hardened soldier has given his sword and his allegiance to the one God, and even stronger than the lust for vengeance is his determination to let this God have His way with him... even if it costs him his very life. Maire considers fighting on the battlefield simplicity itself when compared to understanding the man she has taken as hostage and husband! What manner of God would make such a fine warrior into a coward? Yet she cannot deny the truth in what Rowan has claimed since the day they met: that meekness and humility to his God are stronger than any blade of steel. When they finally join together, lifting their swords to unite their squabbling tribes against the evil druid, Morlach, and his corrupt forces of darkness, they discover the cost - and joy - of following the one true God and His Christ.

Kurzbeschreibung A fanciful, romantic tale of passion and faith that invites readers to the "God-graced mountains and plains" of Ireland. Maire, Gleanmara's warrior queen, finds her fierce heart is gentled when she takes a reformed mercenary -- a Christian, no less -- as hostage during a raid. At first she wonders what kind of God would make a fine warrior like Rowan of Emrys such a coward. But as she comes to know Rowan and witnesses the force of his beliefs, she learns that meekness and humility to the one true God are stronger than any blade of steel. And in the process, Maire discovers the transforming power of love and faith. From the Trade Paperback edition. Kurzbeschreibung A fanciful, romantic tale of passion and faith that invites readers to the "God-graced mountains and plains" of Ireland. From the Trade Paperback edition. ber den Autor und weitere Mitwirkende Linda Windsor is an award-winning author of nineteen historical and five contemporary novels who lives on the Eastern Shore of Maryland. A former professional singer, musician, and ABA writer, Linda gave her music and writing over to God with initial protest but without regret. She believes laughter is God's prescription for the tears of life, and the icing on the cake of faith.
