Von Oliver Tidy : Making A Killing (The Romney and Marsh Files Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Making A Killing (The Romney and Marsh Files Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. The Second of the Romney Marsh Files, ...Von Miki101.Micha ... which have now arrived at N 4. And for my 'lil self there

can't be enough of them. After the very promising and currently GRATIS debut novel Rope Enough (The Romney and Marsh Files Book 1) (English Edition) - German edition: Dover - in which some very deviant characters had set up a brutal scheme of assaults in the port-town of Dover, in this new, second "file" the author Oliver Tidy comes up with murder. And with a lot of other horrible crimes. And he's always getting better! Detective Inspector Romney, his male ego in better form now because of his girlfriend, is feeling very comfortable working with Detective Sergeant Joy Marsh. A lot less content is DS Wilkie, the former sidekick of DI Romney, who has now returned from parental leave. And sees his career plans going down the drain because of the young female DS who has happily and with great professional ability taken his place at Romney's side. THAT has to be punished, DS Wilkie will make sure of this fact! And if it will be his last action in the police force - to say so... In the meantime a brutal murder takes place - on the White Cliffs Golf Course of Dover at green 13. A head has been bashed in, a lot of fury in the assault. The golf club members are a strange lot, obviously a close one, too. A lover cold as an icicle and very money-thirsty too, makes her appearance. More deaths occur, more suspects have to be interviewed. Are the murders related or a pure coincidence? And the strange story of the Parking Medal Man - some deviant poor soul marking cars which are blocking pedestrian's footpaths - has been given to DS Wilkie. Who secretly hoped to gain access to the murder inquiries. But seeing his dreams floating away, he has some very very sinister plans with DS Marsh. Who is one very very cautious and resourceful young Police woman... Everything comes out in the worst of ways. Victims of every age, gender, race etc - You name it, You have it - all over the place. There will be tributes to be paid - before all by the Police forces. A real field day for the media. And poor DI Romney will be damaged in more than one way, the poor sod. And DS Wilkie will have a really big show - in more than one way, too - the lecherous lad :-)... You love English crime novels with twists and turns? Read it - for me the very interesting and entertaining read was really worth the Euro 2,68. And before the prices for the ebooks of this very talented and often refreshingly politically incorrect author will rise, I bought the other two Rodney Marsh Files, too. And I am deep into file N 3 called "Joint Enterprise" - full of exciting action, too. Don't miss this series!

Kurzbeschreibung Its a hot, dry summer on the Kent coast, and the heat is getting to people. A nasty death on the thirteenth green of the local golf course sets in train a series of events that puts a spike in the towns seasonal crime statistics. The members of Dover CID are at full stretch and each others throats as the dead bodies start piling up. Is it the weather? Or is someone just out to make a killing?***The Romney and Marsh Files now number six (nearly seven). They dont have to be read in order; they do all work as stand-alone novels. However, to get the most out of each it is recommended that they are consumed in the order in which they were prepared, a bit like the courses of a good meal. (Who wants to eat ice-cream before a bowl of soup?) Here are the books of the series in order: #1 Rope Enough #2 Making a Killing #3 Joint Enterprise #4 A Dogs Life #5 Particular Stupidities #6 Unhappy Families #7 A White-Knuckle Christmas (In production.)*** Kurzbeschreibung Its a hot, dry summer on the Kent coast, and the heat is getting to people.
