**Von Jill Mansell : Making Your Mind Up (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Your Mind Up (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. It was not....Von Deeda...that good to be 5 stars, but not that bad to only get 4 , so I give 5 because it was fun reading indeed. And an easy read. Perfect for some low-intellectual hours with some easy to understand humour moments.Lottie, in her mid thirties divorced and mother of two children. She gets perfectly along with her ex-husband Mario. Her Boss

Freddie, struggling with an incurable brain tumor, hands over his business to Tyler. He and Lottie like each other on the first sight, but her children do perfect in preventing them getting closer than necessary. And then there is Seb, also divorced and father of a little daughter. Lotties kids love him. Cress, a friend of Lottie, divorced without children. But she takes care of her ex-husbands daughter Jojo, to whom she is more a mother than the real one. Cress falls in love with Tom, also divorced and single parent. (as you can see, no happy married couple.... yet) This also the story of Freddie trying to get in touch to his past before dying, and the struggle of Mario with his girlfriend Amber, who leaves him, because he is not reliable at all as soon as it comes to women. As I said a nice easy read, with some moments to smirk and some to laugh. The lovestory between Lottie and Tyler is clearly the main action. I can recommend this book to everyone enjoying nice, romantic flirty stories for some cold autumn evenings! I am looking forward to the other books of Mansell.

**Kurzbeschreibung** Jill Mansell's engaging and romantic bestseller **MAKING YOUR MIND UP** is perfect for readers of Jojo Moyes and Katie Fforde. ers love Jill's books: 'Warm, witty and wise' Daily Mail Lottie Carlyle isn't looking for love when she meets her new boss, Tyler Klein. Living in a beautiful cottage with her two adorable - sometimes - kids in an idyllic village in the Cotswolds, on good terms with her ex-husband and with friends all around, she's happy enough with her lot. But Tyler's perfect for Lottie and quickly she falls for him - and he for her. Unfortunately, there's a problem. For reasons that are totally unfair, Lottie's children HATE Tyler. When a rival for Lottie's affections comes on the scene in the shape of charmer Seb, the children adore him, and he's certainly a distraction. But he's not Tyler - and he's not even at all what he seems. Lottie's got a problem - but thanks, in classic Jill Mansell style, to a tobogganing accident and a delicious series of mix-ups, all will be revealed and true love will find a way. **Pressestimmen** 'Very nicely done... Jill Mansell's chorus of sharp-witted youth, shaking sticks at the foibles of their elders, is delightful' (Daily Express) 'A smashing read that both delights and surprises the reader' (Sun) **Werbetext** Lottie's found the perfect man - if only her children loved him too! A deliciously romantic novel about love, misunderstandings and happy endings from the bestselling author of **YOU AND ME**, **ALWAYS** and **RUMOUR HAS IT**.
