**Von H.P. Mallory : Malice In Wonderland (Dulcie O'Neil Book 5) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Malice In Wonderland (Dulcie O'Neil Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Well...Von ecavoI must say that I really enjoyed the previous four books! They very funny, interesting and basically everything you need for a good read. This one however was a bit boring. Nothing really happened throughout the whole book. Dulcie's internal monologue took the most part of the story, I must confess that I even skipped a few

pages just to get back to the plot. It felt as if this volume was rather a gapfiller. I hope the next book (is it also the last?) is more entertaining! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wieder ein tolles Buch in der Dulcie O'Neil-Serie Von Lara! Ich habe alle Bücher aus der Serie verschlungen. Es macht Spaß, es ist spannend, die Charaktere sind nicht perfekt. Gerade die Fehler mag ich denn da macht sie irgendwie "echt". Ich werde bestimmt mehr von H.P. Mallory lesen.

Kurzbeschreibung New York Times and USA Today Bestselling Author, HP Mallory, brings you The Dulcie O'Neil Series with nearly one million copies sold and 31,000 reviews on and Goodreads! H.P. Mallory has a quick wit, a fresh voice, and a clever way with words. If you like Charlaine Harris, you'll love H.P. Mallory! ~ Larissa Ione, New York Times Bestselling Author If you like your books steamy (this is an Urban Fantasy Series for Adults) and you appreciate a butt-kicking, take no prisoners fairy heroine, read on! MALICE IN WONDERLAND is the fifth book in the Dulcie O'Neil Paranormal Mystery Series. The first book is TO KILL A WARLOCK A broken relationship, tarnished with lies and deceit, A father who wants her dead, And a shocking surprise that could rock the very foundation of everything she believes in... Fairy and law enforcement agent, Dulcie O'Neil, has to face the fact that her father, the Head of the Netherworld, is also Public Enemy Number One. In joining a group of rebels who would see her father dethroned, Dulcie will realize just what it means to go against her own blood. Throw in her tattered relationship with Knight Vander and the shock of a lifetime and Dulcie's life just went from bad to worse. What are readers saying about Malice In Wonderland? This is the awaited 5th book in the Dulcie O'Neil series by H.P. Mallory! As soon as I had it downloaded, I literally didn't put it down, until I couldn't keep my eyes open anymore. So many twists and turns, and yet questions answered, and new questions formed. Love this series and HP's writing!! --Kimberly I stumbled upon H.P. Mallory's books by accident in a quest to find a decent book to read many months ago. I was struggling finding a new author that could gain my attention and my imagination. I was so pleasantly surprised when I opened (figuratively that is, seeing as I'm a Kindle girl) the first book and I have been hooked ever since. H.P. truly has a gift for creating amazing stories with amazing characters. She has quickly become one of my favorites! Malice in Wonderland is no exception. The dynamic of Dulcie and Knight is so strong in this book yet they both grow so much individually as well. We continue to grow attached to the characters we know and love, on top of new problems and new adventures for Dulcie, Knight, and even Bram to get into. Any book that gets me talking out loud to it... it's worth my time. You won't be disappointed with this one! Another winner H.P. --Jeorgia
