P. H. just love reading Marian Keyes... She's the best..0 von 0 Kunden fanden die folgende Rezension hilfreich. Hilarious! Von Agi Finally Mummy Walsh's point of view. This woman is amazing, so witty and sharp - minded! We get some views into her and her family personal life, we meet old friends, we have some explanations and that all makes me want to read more, more, more Marian! Really great read.

Kurzbeschreibung Mammy Walsh's A-Z of the Walshes is a laugh-out-loud ebook-only short guide to everyone's favourite dysfunctional Irish family. It does exactly what it says on the tin but here's a brief word from its author, Mammy Walsh herself: 'There's this woman I know from bridge, Mona Hopkins, a lovely woman she is, even if I must admit I'm not that keen on her myself, and she said a great thing the other day. I was expecting her to say "Two no trumps," but instead she comes out with a saying about her children. She says, "Boys wreck your house and girls wreck your head." Isn't that a marvellous bit of wisdom - "Boys wreck your house and girls wreck your head!" And God knows it's the truest thing I've heard in a long time. I should know. I have five girls. Five daughters. And let me tell you, my head is wrecked from them. Although, now that I think of it, so is my house . . . 'It's the perfect re-introduction to the Walsh family, featured in Marian's bestselling novels about the Walsh sisters, Watermelon, Rachel's Holiday, Angels, Anybody Out There and The Mystery of Mercy Close .Praise for Marian Keyes: 'When it comes to writing page-turners that put a smile on your face and make you think, Keyes is in a class of her own' Daily Express 'Zips along with engaging characters, fabulous plotting and spot-on dialogue. Marian Keyes: what a genius' Daily Mail
