Maraya Thornleaf is the kind of woman that you meet and mate at your own peril. Whether in bed or on the field of battle, there are consequences that follow in her wake. If you like a strong female lead character as your protagonist, with a touch of lustful pleasure added for good measure, then this is your book. Having said that, the book contains language that is not appropriate for anyone under the age of 18. Recommended for adults only, from age 18 to infinity.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great.Von ZhivkoAmazing short story, which reveals the adventurous life of Maraya Thornleaf. It kept me interested through all 36 pages. Is there second part coming? I hope so.
