Von Don Callander : Marbleheart (Mancer Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Marbleheart (Mancer Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Book #5 is terrific reading!Von Ein KundeMarbleheart's adventure with the young faerie prince is great fun. This is just as delightful as the rest of the 'mancer series. Hopefully, Don Callander will keep the series going.You will enjoy all the characters.The books are fun! If you haven't read any of the 'mancer series, do so.You are missing the humor and fun!0

Von Ein Kunde
This book is a lot of fun to read, but even more so if you've read Callander's other Mancer novels. He brings back characters from most of those novels and ties up a few loose ends from those books. If you've never read fantasy before or (like me) you're a fan of Callander, then Marbleheart is a great book.
