Von Philip Kerr : March Violets: A Bernie Gunther Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised March Violets: A Bernie Gunther Novel:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Bernie und die NazisVon GenieerWie immer ist Philip Kerr wegen seiner Berliner Ortskenntnis aus den 30er Jahren zu bewundern. Sie macht auch die Handlung ganz von selber glaubwrdig. Manche der Charaktere sind zwar unsympathisch, dafr aber so gut beschrieben, dass man sich eine Wiederkehr in den weiteren Folgen geradezu

herbeiwünscht. Was dann auch geschieht. Das gegenwärtige IOC sollte dieses Buch lesen, damit es nie wieder Typen wie Brundage an die Spitze stellt, denen der Umgang mit Diktatoren und Terroristen gefällt..4 von 4 Kunden fanden die folgende Rezension hilfreich. Fascinating background, excellent plotVon Peter BerlinThis is a mystery with a twist. The background is Nazi Berlin during the time of the Olympics. The author has obviously researched the time period well and creates it quite convincingly. Famous (Jesse Owens) and infamous (Gring) characters show up and make the novel very interesting and absorbing to read. The solution to the mystery is quite satisfying, too, so this is highly recommendable. The private detective is very well drawn, too, and the dialogues are to the point. This book definitely wants you to finish the Berlin noir trilogy by the Philipp Kerr, I know I will.0 von 13 Kunden fanden die folgende Rezension hilfreich. Hat mir gar nicht gefallenVon Irene AkbarVon der schlechten Sprache abgestossen, uninteressanter Plot, habe es nicht einmal zu Ende gelesen, deshalb will ich gar nicht darüber schreiben

KurzbeschreibungHailed by Salman Rushdie as a brilliantly innovative thriller-writer, Philip Kerr is the creator of taut, gripping, noir-tinged mysteries that are nothing short of spellbinding. The first book of the Berlin Noir trilogy, March Violets introduces readers to Bernie Gunther, an ex-policeman who thought he'd seen everything on the streets of 1930s Berlinuntil he turned freelance and each case he tackled sucked him further into the grisly excesses of Nazi subculture. Hard-hitting, fast-paced, and richly detailed, March Violets is noir writing at its blackest and best.Pressestimmen"Echoes of Raymond Chandler but better on his vivid and well-researched detail than the master."Evening Standard"Taut, brutal, coarse, believable and gripping stuff."Sunday Telegraph"Kerr's complex intrigue allows space for brilliantly provoking political asides."Sunday TimesKurzbeschreibungHailed by Salman Rushdie as a brilliantly innovative thriller-writer, Philip Kerr is the creator of taut, gripping, noir-tinged mysteries that are nothing short of spellbinding.
